

**SPRINGFIELD FIRE DEPARTMENT
CITY OF SPRINGFIELD, ILLINOIS**

**Brandon Blough
Fire Chief**

The Springfield Fire Department (SFD) responded to a mutual aid request to South Bound I-55 at 2130 hours for a vehicular accident with a fatality. SFD's role there was limited to Hazardous Material assessment and mitigation. Please contact Divernon with any questions other than HazMat.

A total of 12 SFD members responded to the scene. Units deployed oil dry and created an earthen dam out of sand to control fuel runoff from the accident.

Agencies that responded to this incident: Divernon Fire, Chatham Fire, Auburn Fire, Pawnee Fire, Springfield Fire, Sherman Fire, Stonington Fire, and the Illinois State Police.

At the time of this release I-55 Southbound was still closed to traffic while ISP conducted their investigation.
