New Bedford Prepares for Winter Storm

- *Emergency parking ban effective at 10 p.m. Thursday, Jan. 6*
- *City offices, libraries, Buttonwood Park Zoo closed Friday, Jan. 7*
- *COVID-19 Testing Canceled at Fire Station 11 on Friday, Jan. 7*

New Bedford, Massachusetts – The National Weather Service has issued a Winter Storm Warning for southeastern Massachusetts, including New Bedford, in effect from 1 a.m. to 4 p.m. on Friday, Jan. 7. The National Weather Service predicts total snow accumulations of 6 to 8 inches, with localized accumulations of up to 10 inches possible. Storm conditions are expected to make travel very difficult, particularly during the Friday morning commute.

Citywide Snow Emergency Parking Ban Effective at 10 p.m. on Thursday, Jan. 6

In preparation for the approaching snowstorm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at 10 p.m. on Thursday, Jan. 6.

The parking ban will be strictly enforced and will remain in effect for 48 hours, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways, and enable public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is permitted on the north side of all streets going east and west, and is permitted on the east side of all streets going north and south. The permitted side of the street is typically the side opposite of the fire hydrants.

Please note that on streets that are normally posted for parking on one side of the street only, residents are to obey the signs as usual. Vehicles should never be parked within ten (10) feet of a fire hydrant or twenty (20) feet from a corner as required by law, regardless of whether a snow ban is in effect.

Double-sided Parking Ban Areas

To increase public safety during storm events, the areas designated for a double-sided parking ban include sections of numerous streets (listed below), in addition to the Downtown and Acushnet Avenue Business Districts, where double-sided bans have been implemented in years past. The street sections were selected because they are major routes for ambulances, school buses, and SRTA buses, and have a history of large vehicles being unable to successfully navigate due to the narrowness of the street.

During a snow emergency parking ban, therefore, no parking is permitted on either side of the street in the following areas:

- Wood St (Acushnet Ave to Belleville Ave)
- Acushnet Ave (Tarkiln Hill Rd to Coggeshall St)
- Nash Rd (Acushnet Ave to Belleville Ave)
- Ashley Blvd (Nash Rd to Coggeshall St)
- County St (Purchase St to Cove Rd)
- Cottage St (Durfee St to Union St)
- Mill St (Kempton St to Pleasant St)
- Kempton St (Brownell Ave to Pleasant St)
- The Downtown Business District (County St to JFK Blvd, Kempton St to Walnut St)
- Dartmouth St (Allen St to Matthew St)
- Rivet St (Dartmouth St to JFK Blvd)

Violations of the snow emergency parking ban will be subject to ticketing at \$50 per ticket, and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.

The City of New Bedford has designated the following areas as preferred parking areas for residents in need of off-street parking while the emergency snow parking ban is in effect:

- Victory Park – Brock Avenue
- Hazelwood Park – Brock Avenue
- Cove Street Parking Lot – Cove Street and Morton Court
