PRESS RELEASE

Upcoming COVID-19 Testing Sites

New Bedford, Massachusetts – Project Beacon’s appointment-based COVID-19 testing at New Bedford Regional Airport – part of the state’s Stop the Spread program – will offer testing on Sunday, Monday, Tuesday and Thursday next week.

Appointments for free COVID-19 tests can be made at beacontesting.com. Airport officials ask that people reach the site via the airport’s side entrance on Downey Street.

Contact Project Beacon by email at help@beacontesting.com; or by calling 617-741-7310.

For walk-up testing, Seven Hills Behavioral Health offers free services at former Fire Station 11 in the South End on Monday, Tuesday, Thursday and Friday, and at PAACA on Coggeshall St. on Wednesday.

For rapid tests, the federal government is offering free at-home test kits online, at COVIDtests.gov. Every home in the U.S. is eligible to order four free at-home COVID-19 tests. If you test positive with a rapid test, isolate for at least five days and notify close contacts. State guidance on isolation and quarantining [can be found here](#).

If you test negative, re-testing a day or more later is advised, particularly if you have symptoms or a known exposure to the virus.

Testing sites in New Bedford and surrounding towns can be found on the state’s Stop the Spread website, www.mass.gov/info-details/find-a-covid-19-test.
