

More than 540 gifts were collected by Raspadskaya Coal Company employees as part of the "Tree of Kindness" campaign

January 10, 2024 - In December, Raspadskaya Coal Company's (RUC) enterprises installed Christmas trees on which they placed cards with children's wishes. Coal miners purchased gifts for the children and helped fulfill their dreams.

In Mezhdurechensk, employees have already visited a social assistance center for families and children. Hockey sticks, art kits, toys and sweets were handed over to children from large families and children with disabilities.

Employees of the Raspadskaya-Koksovaya mine, Raspadskaya Concentrator, Raspadsky and Koksovy open-pit mines, and the South Kuzbass Geological Exploration Department of RUK presented gifts to children from the Unity Orphanage No. 5. The children prepared creative performances for the guests. And employees of Raspadskaya mine arranged a holiday for children of the social rehabilitation center for minors with a show of soap bubbles and a disco of fairy tale characters.

This week, coal miners will deliver another batch of toys, art kits and sports equipment to the Novokuznetsk social assistance center for families and children. The employees will also fulfill the dreams of children in the hospice and the pediatric oncology and hematology department of the Kuzbass Children's Clinical Hospital named after Professor Y. E. Malakhovsky.

Employees of Raspadskaya Coal Company traditionally participate in the "Tree of Kindness" campaign. This year, almost all employees of the companies located in Novokuznetsk, Mezhdurechensk, Osinniki and Kaltan responded to the wishes of children.
