Subject : Reallocation of Maximum Admissible Export Quantity (MAEQ) for export during Sugar Season 2020-21 and consequent adjustment of Monthly release quantity on account of exchange of MAEQ quantity with domestic monthly release quantity.

Madam/Sir,

The Central Government, with a view to facilitate export of sugar during the sugar season 2020-21 and to improve the liquidity position of sugar mills and thereby enabling them to clear cane price dues of farmers for sugar season 2020-21, has notified on 29.12.2020 a Scheme for providing assistance to sugar mills for expenses on marketing costs including handling, upgrading and other processing costs and costs of international and internal transport and freight charges on export of sugar.

2. Subsequently, this Department vide order dated 31.12.2020, has allocated mill-wise MAEQ of 60 Lakh MT of sugar for export during the current sugar season 2020-21. Pursuant to the Clause 10 of the said Notification, it has been decided that henceforth, DFPD will review the performance of sugar mills on a quarterly basis during the sugar season 2020-21 and revise the allocated mill-wise MAEQ. For the purpose of revision of mill-wise MAEQ, this Department vide letter dated 19.01.2021 issued revised guidelines to review export performance of sugar mills against Maximum Admissible Export Quantity (MAEQ) for export during Sugar Season 2020-21.

3. As per clause 'E' of the revised guidelines dated 19.01.2021, DFPD has decided to allow exchange of MAEQ quantity from the quantity of monthly release quota. In this regard, representations along with agreements between sugar mills involved in exchange of their MAEQ quantity and domestic monthly release quantity have been examined in this Department and accordingly additional MAEQ quantity has been allocated and domestic quota of the sugar mills have also been adjusted as mentioned in Annexure.

Yours faithfully,

(Jitender Juyal)
