## Closure on County Line Road in Plainfield Township

**CHICAGO** – The Illinois Department of Transportation announced today that improvements to the intersection of Illinois 126 and County Line Road, in Plainfield Township, will begin, weather permitting, Monday, Sep. 27.

To complete the work, a full closure will take place on County Line Road, between Illinois 126 and Renwick Road, along with lane widths reduced to 11 feet on Illinois 126. A detour will direct motorists to Drauden and Caton Farm roads. Access to local residences and businesses will be maintained throughout construction. County Line Road is anticipated to reopen to traffic in mid-November.

The \$1.2 million project involves reconstructing and widening the existing intersection, realigning County Line Road, installing a new traffic signal and guardrail, along with resurfacing and new pavement markings. The project is expected to be completed in fall 2022.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,535 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
