U.S. 24 lane closure in Bartonville begins April 22

BARTONVILLE – The Illinois Department of Transportation announced that a manhole replacement project on southbound U.S. 24 (McKinley Avenue) in Bartonville begins April 22.

The work will reduce southbound U.S. 24 to one lane in the 500 block through April 25.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
