#### MSE SET TO HOST WEBINAR UNDER THE THEME "LISTING ON THE MALAWI STOCK EXCHANGE"

The Malawi Stock Exchange is set to conduct a live webinar for potential issuers under the theme "Listing on the Malawi Stock Exchange" on 19th October, 2023 at 10:00am.

The Webinar will bring together industry experts from the capital markets as speakers to provide insights and practical solutions to raising capital through the Malawi Stock Exchange's Main Board platform. The event intends to increase awareness and encourage companies to list on the Malawi Stock Exchange. Interested companies should email <a href="mailto:mchipofya@mse.co.mw">mchipofya@mse.co.mw</a>

# MZINGA INCUBATION PROGRAM LAUNCHED

The Malawi Stock Exchange with financial assistance from the Financial Inclusion and Entrepreneurship Scaling Project (FInES) on 28<sup>th</sup> July 2023 launched its flagship project, the Mzinga incubation program.

In celebrating this event, the Malawi Stock Exchange invited companies, financial market players, policy makers and all key stakeholders to the launch event held at Sunbird Mount Soche Hotel in Blantyre. The Guest of honour at the event was the Deputy Governor of the Reserve Bank of Malawi, Mr. William Matambo, who also rung the listing bell to mark the launch of Mzinga Incubation Program.

# MSE CONDUCTS WORKSHOP ON REVISED RULES-SECTION 7

The Malawi Stock Exchange on 21<sup>st</sup> September 2023 held a workshop on the revised rules with particular emphasis on Section 7- Continuing obligations.

The workshop was meant to discuss the changes that have been made to the revised rules which are aimed at improving the quality of information that is provided to the public. The participants to the workshop were company secretaries from listed companies.

Some of the salient changes made to continuing obligations include the reduction of the timeframe for publishing abridged financial results, from 6 to 4 months, and new requirements for ESG reporting. The revised rules are available on the Exchange website www.mse.co.mw
