ALMONTY INDUSTRIES INC. MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 26, 2023

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Almonty Industries Inc. (the “Company”), a corporation governed by the *Canada Business Corporations Act* (the “CBCA”), for use at the Annual General and Special Meeting of the holders of common shares of the Company (the “Shares”, and holders thereof, the “Shareholders”) to be held in the **North Boardroom** at the offices of **Suite 300 – 1055 W. Hastings Street, Vancouver, BC** on Monday, June 26, 2023, at 10:00 a.m. PST (Vancouver time) (together with any adjournment or postponement thereof, the “**Meeting**”) for the purposes set out in the accompanying notice of Meeting (the “**Notice of Meeting**”).

Information contained in this Circular is given as at April 27, 2023, and all dollar amounts are stated in Canadian dollars, unless otherwise indicated.

GENERAL PROXY INFORMATION

A. SOLICITATION OF PROXIES

The accompanying proxy is being solicited by or on behalf of the management of the Company and the cost of such solicitation will be borne by the Company. It is expected that the solicitation of proxies will be primarily by mail, though proxies may also be solicited, without special compensation, in person or by telephone, fax, email, or other means of communication by directors, officers or regular employees of the Company. The Company may pay investment dealers or other persons holding Shares in their own names or in the names of nominees (collectively, “**intermediaries**”) for their reasonable expenses incurred in sending this Circular and the accompanying Notice of Meeting and form of proxy or a voting instruction form, to non-registered, beneficial owners of Shares.

This Circular, together with the accompanying Notice of Meeting and form of proxy, is being sent to both Registered Shareholders (as hereinafter defined) and Beneficial Shareholders (as hereinafter defined). If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary who holds your Shares on your behalf.

B. HOW TO VOTE YOUR SHARES

Registered Shareholders

A registered Shareholder (“**Registered Shareholder**”) is a Shareholder whose share certificate bears the name of that Shareholder. Registered Shareholders are entitled to vote their Shares in person at the Meeting or by proxy, and such Shareholders may be able to vote their proxies over the internet, by telephone or by mail in accordance with the instructions set out in the accompanying form of proxy.

If you are a Registered Shareholder and wish to vote in person at the Meeting, you should not complete or return the accompanying form of proxy, as your vote will be taken and counted at the Meeting. Shareholders wishing to vote in person must register their attendance with the scrutineer upon arrival at the Meeting.

If you are a Registered Shareholder and do not wish to attend the Meeting or to vote in person, you may vote by proxy by properly completing, signing and depositing the accompanying form of proxy with the Company’s transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”). Registered Shareholders who elect to submit a proxy may do so online at www.investorvote.com, by telephone at 1-866-732-VOTE (8683) (for Shareholders within North America) or 1-312-588-4290 (for Shareholders outside North America), or by mail to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, in all cases in accordance with the instructions provided by the

Transfer Agent in the accompanying form of proxy and ensuring that the proxy is received not later than 48 hours prior to the commencement of the Meeting, excluding Saturdays, Sundays and holidays.

Beneficial Shareholders

If your Shares are registered in the name of an intermediary, rather than in your own name, you are a beneficial Shareholder (a “**Beneficial Shareholder**”). Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Shares) or as set out in the following disclosure.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuers of securities which they own (referred to as “**OBOs**” for objecting beneficial owners) and those who do not object to the issuers of the securities they own knowing who they are (referred to as “**NOBOs**” for non-objecting beneficial owners).

Non-Objecting Beneficial Owners

The Company is taking advantage of those provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators (the “**CSA**”), which permits the Company to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”). These VIFs are to be completed and returned to the Transfer Agent online at www.investorvote.com, by telephone at 1-866-734-VOTE (8683) (for Shareholders within North America) or 1-312-588-4291 (for Shareholders outside North America), or by mail to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, in all cases in accordance with the instructions provided in the VIF. The Transfer Agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by the VIFs it receives.

By choosing to send these materials to you directly, the Company (and not the intermediary holding your Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in your request for voting instructions that you receive.

NOBOs who wish to attend and vote in person at the Meeting must insert their own name in the space provided on the VIF to appoint the NOBO (or the name of another person the NOBO wishes to attend the Meeting and vote on the NOBOs behalf) as proxy holder and otherwise follow the instructions on the VIF. Beneficial Shareholders who appoint themselves as proxy holders should present themselves at the Meeting to a representative of the Transfer Agent. Beneficial Shareholders wishing to attend and vote in person at the Meeting should not otherwise complete the VIF.

Objecting Beneficial Owners

Management of the Company does not intend to pay for intermediaries to deliver proxy-related materials to OBOs under NI 54-101. OBOs will not receive the proxy-related materials in respect of the Meeting unless the intermediary holding shares on behalf of the OBO assumes the cost of delivery.

Beneficial Shareholders who are OBOs and receive proxy-related materials in respect of the Meeting from their intermediaries should carefully follow the instructions of their broker or intermediary in order to ensure that their Shares are voted at the Meeting.

The form of proxy that will be supplied by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote your Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge will mail a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s proxy to represent your Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder) other than any of the persons designated in the VIF to represent your Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of your desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting and the appointment of any Shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Shares voted at the Meeting, or to have an alternative representative duly appointed to attend and to vote your Shares at the Meeting.**

Voting by Proxyholder

If voting instructions are given on your form of proxy or request for voting instructions, then your proxyholder must vote, or withhold from voting, your Shares in accordance with your instructions. If no voting instructions are given, then your proxyholder may vote your Shares or withhold from voting as he, she or it sees fit. **If you appoint the proxyholders named on the accompanying form of proxy, and do not provide instructions as to how they should vote your Shares, your Shares will be voted “FOR” each of the matters set out in the form of proxy.**

As of the date of this Circular, none of the directors or officers of the Company are aware of any amendments or variations to the matters set out in the Notice of Meeting, nor of any other matter to be presented at the Meeting. However, if any amendment, variation or other business is properly brought before the Meeting, the accompanying form of proxy confers discretion on the persons named thereon to vote on any amendment or variation of the matters set out in the Notice of Meeting or any such other business in accordance with their best judgment.

C. APPOINTMENT OF PROXYHOLDER

The persons named in the form of proxy accompanying this Circular have been selected by the board of directors of the Company (the “**Board**”) and have indicated their willingness to represent as proxyholders the Shareholders who appoint them. **A Shareholder has the right to appoint as his, her or its proxyholder a person or company (who need not be a Shareholder) other than the persons designated in the accompanying form of proxy to attend and act on that Shareholder’s behalf at the Meeting.** As a Shareholder, you may exercise this right by inserting the name of such person or company in the blank space provided in the form of proxy and striking out the other names or by properly completing and signing another proper form of proxy and, in either case, depositing such form of proxy with the Transfer Agent at the location and within the time limits set out above.

If you appoint some other person to represent you, it is your responsibility as a Shareholder to inform that other person or company that he, she or it has been so appointed and to ensure that your proxy has been signed by you or your attorney authorized in writing (or, if the Shareholder is a corporation, under its corporate seal and signed by a director, officer or attorney thereof, duly authorized).

D. REVOCATION OF PROXIES

If you are a Registered Shareholder and you have submitted a proxy and later wish to revoke it, you can do so by:

- (a) completing and signing a form of proxy bearing a later date and depositing it with the Transfer Agent at the location and within the time limits set out above;
- (b) depositing an instrument in writing signed by you or your attorney authorized in writing (or, for Shareholders that are corporations, under such Shareholder’s corporate seal and signed by a director, officer or attorney thereof, duly authorized), with either: (i) the Transfer Agent, at the address noted above, or at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used, or (ii) the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting; or

- (c) following any other manner permitted by law.

Any Registered Shareholder attending the Meeting has the right to vote in person and, if you, as a Registered Shareholder, elect to do so, your proxy will be nullified with respect to any matters upon which you vote, and in respect of any subsequent matters to be voted upon at the Meeting.

Beneficial Shareholders should note that **only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders who wish to change their vote must make appropriate arrangements with their respective intermediaries.** Beneficial Shareholders should also be aware that intermediaries may set deadlines earlier than those set out in this Circular or otherwise for the receipt of requests for voting instructions or proxies from Beneficial Shareholders, and are not required to act on any revocation that is not received by the intermediary prior to the deadlines set by that intermediary. As such, Beneficial Shareholders who wish to revoke their voting instruction form or proxy and to vote should contact their intermediary as soon as possible, and in any event well in advance of the Meeting.

E. NOTICE TO SHAREHOLDERS IN THE UNITED STATES

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and the securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is governed by the CBCA, certain of its directors and officers are residents of Canada and countries other than the United States, and all of the assets of the Company and a substantial portion of the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Each of the Management Nominees are, in the opinion of management, qualified to direct the activities of the Company until the next annual meeting of Shareholders and all nominees have indicated their willingness to stand for election.

Majority Voting for Election of Directors

The Board has adopted a "majority voting" policy, pursuant to which if a nominee for election as director does not receive a greater number of votes "for" than votes "withheld" at a meeting of shareholders, such nominee shall offer his or her resignation as a director to the Board promptly following the meeting of shareholders at which the director was elected. Upon receiving such offer of resignation, the Compensation and Corporate Governance Committee will consider such offer and make a recommendation to the Board as to whether or not to accept it. Notwithstanding the foregoing, the Board shall accept the offer of resignation absent exceptional circumstances.

The Board will determine whether or not to accept the resignation within 90 days following the meeting of shareholders. The Company will announce the decision of the Board in a press release with respect to whether the Board has decided to accept such director's resignation. If the Board determines not to accept the resignation, the press release will state the reasons for that decision.

The director who tendered such resignation will not be part of any deliberations of any Board committee (including the Compensation and Corporate Governance Committee if such director is a member thereof) or the Board pertaining to the resignation offer.

The "majority voting" policy only applies in circumstances involving an uncontested election of directors. For the purposes of the policy, an "uncontested election of directors" means that the number of nominees for election as a director is not more than the number of directors proposed to be elected to the Board.

Orders, Bankruptcies, Penalties or Sanctions

To the Company's knowledge, none of the Management Nominees:

- (a) is, as at the date of this Circular, nor has been within ten years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:
 - (i) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (an "**Order**") that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;
- (b) is, as at the date of this Circular, nor has been within ten years before the date of this Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within ten years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings,

arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold any of their respective assets.

To the Company's knowledge, none of the Management Nominees has:

- (a) been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority;
- (b) entered into a settlement agreement with a securities regulatory authority; or
- (c) been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for such proposed director.

C. APPOINTMENT OF AUDITORS

Shareholders are being asked to confirm the appointment of Zeifmans LLP, Chartered Professional Accountants and to re-appoint Zeifmans LLP, Chartered Professional Accountants, as auditor of the Company to hold office until the next annual meeting of Shareholders. **Unless authority to do so is withheld, proxies given pursuant to this solicitation by the management of the Company will be voted "FOR" the appointment of Zeifmans LLP as auditor of the Company to hold office until the close of the next annual meeting of Shareholders, at a remuneration to be fixed by the Board.**

D. SPECIAL BUSINESS - AMENDMENT OF WARRANTS

During December 2019 through February 2020, the Company conducted a private placement whereby it issued, in three tranches, 2,047,244 units comprising 2,047,244 Shares and 2,047,244 Share purchase warrants (each, a "Warrant" and, collectively, "Warrants"). Each Warrant is exercisable at a price of \$0.75 per Share with a three year term. Of the 2,047,244 Warrants issued, 1,020,000 expired, 327,244 were exercised, 47,244 of which were exercised by Lewis Black, CEO of the Company, and of which 700,000 remain outstanding and which expired on February 19, 2023. Such 700,000 Warrants are held by insiders of the Company as follows:

<u>Name</u>	<u>Title</u>	<u>Number of Warrants</u>	<u>Number of Shares held, controlled or directed and Percentage</u>	<u>Number of Shares Held, controlled or directed and Percentage Assuming Exercise of the Warrants</u>	<u>Number of Shares Held, controlled or directed and Percentage Assuming Exercise of all Securities Convertible into Shares</u>
Lewis Black	CEO, President and Chair	550,000	24,583,559 10.78%	25,133,559 10.98%	32,633,559 13.81%
Thomas Gutschlag	Director	150,000	31,878,926 13.98%	32,028,926 14.04%	56,501,972 22.36%

As indicated above and because the Warrants are instruments that were already outstanding, the extension of the expiry dates of the Warrants does not have any effect on control of the Company. Additionally, the Warrants subject to the proposed amendment were not in-the-money- at the time Board approval was obtained to the amendment, nor are the Warrants in-the-money at the date of this Management Information Circular, The 700,000 common shares underlying the Warrants represent 0.31% of the current issued and outstanding common shares of the Company.

The Company has entered into agreements with the holders of the Warrants to extend the expiry date of the Warrants to February 19, 2024. Since the outstanding 700,000 Warrants are held by insiders of the Company, the extension of the expiry date of the Warrants is subject to approval of the Exchange and, as required by Section 608(a) of the Exchange's Company Manual, the Company's shareholders on a disinterested basis.

The amendment of the Warrants held by insiders may be considered a related party transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* ("MI 61-101").

As such, the Company would rely on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(a) of MI 61-101 on the basis that the value of the Warrants held by insiders being amended will not exceed 25% of the fair market value of the Company's market capitalization.

Shareholders will be asked to consider, and, if thought advisable, to pass, with or without variation, a resolution ratifying the entering into of agreements that amended the expiry date of the Warrants to February 19, 2024. The full text of the resolution is as follows:

“BE IT RESOLVED, AS A RESOLUTION OF THE SHAREHOLDERS OF THE CORPORATION THAT:

1. The entering into by the Corporation of amending agreements with insiders of the Corporation to extend the expiry date of 700,000 common share purchase warrants issued to such insiders to February 19, 2024 is hereby ratified, confirmed and consented to; and

2. Any officer or director of the Corporation is hereby authorized and directed for on behalf of the Corporation to execute and deliver all such documents and to do all such other acts and things as he or she may determine to be necessary or advisable to give effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

To be effective, the resolution must be approved by a majority of the shareholders of the Corporation. Pursuant to the Company Manual of the Exchange, the insiders noted above that hold Warrants will be excluded from voting on the resolution. Therefore, in the aggregate, 56,462,485 shares represented at the Meeting by insiders noted above, being 24.76% of the current issued and outstanding shares of the Company, will be excluded on the vote regarding the extension of Warrants.

The Board of Directors has determined that the extension of the expiry date of the Warrants is in the best interests of the Corporation as the potential for further equity ownership by insiders would have the effect of further aligning the interests of shareholders and such insiders. **Having determined that the extension of the expiry date of the Warrants is in the best interests of the Corporation, the Board of Directors unanimously recommends that Shareholders vote in favour of the foregoing resolution.**

Shares represented by proxies in favour of the management nominees will be voted EOR approving the resolution to ratify the entering into of amending agreements to extend the expiry date of the Warrants to February 19, 2024, unless a Shareholder has specified in their proxy that their Common Shares are to be voted against such resolution.

E. OTHER BUSINESS

As of the date of this Circular, none of the directors or officers of the Company are aware of any amendments or variations to the matters set out in the Notice of Meeting, nor of any other matter to be presented at the Meeting. However, if any amendment, variation or other business is properly brought before the Meeting, the accompanying form of proxy confers discretion on the persons named therein to vote on any amendment or variation of the matters set out in the Notice of Meeting or any such other business in accordance with their best judgment.

EXECUTIVE COMPENSATION

A. COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this compensation discussion and analysis portion of the Circular is to provide information about the Company’s executive compensation philosophy, objectives and processes and to discuss compensation decisions relating to the Company’s executive officers, including its “named executive officers”. Pursuant to applicable securities regulations, a “named executive officer” means (a) the Chief Executive Officer, (b) the Chief Financial, (c) each of the three most highly compensated executive officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year, and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in a similar capacity, at the end of that financial year.

For the most recently completed fiscal year ended December 31, 2022, the only named executive officers of the Company were Lewis Black, Chief Executive Officer and Mark Gelmon, Chief Financial Officer (together, the “**Named Executive Officers**”).

Compensation Governance

Compensation and Corporate Governance Committee

The Board has established the CCG Committee to assist the Board in fulfilling its oversight responsibilities in relation to, among other things, executive compensation, Board compensation, broadly applicable compensation and benefit programs, and performance reviews of the Board, its committees and individual directors. The CCG Committee is currently comprised of Daniel D’Amato, Thomas Gutschlag, and Mark Trachuk (Chair), all of whom have been determined by the Board to be independent under section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), other than Mr. D’Amato by virtue of \$233,400 received by him in consulting fees for the most recently completed fiscal year ended December 31, 2022. All members of the CCG Committee have experience in matters of executive compensation that is relevant to their responsibilities as members of such committee by virtue of their respective professions and long-standing involvement with public companies.¹ In addition, each member of the CCG Committee strives to keep abreast of trends and developments affecting executive compensation.

The Board has a written charter for the CCG Committee outlining its role and objectives, composition, meeting requirements and responsibilities. Pursuant to such charter, the specific duties and responsibilities of the CCG Committee include:

- (a) reviewing and recommending to the Board the compensation and benefits policies and plans (including incentive compensation plans) for the Company and its subsidiaries;

¹ For a description regarding the relevant education and experience of Mr. D’Amato, Mr. Gutschlag and Mr. Trachuk, see the section “*Business to be Conducted at the Meeting – Election of Directors*”, above.

- (b) annually evaluating the performance of the Chief Executive Officer of the Company and recommending to the Board his or her annual compensation package;
- (c) annually reviewing and recommending to the Board the compensation packages for the other executive officers of the Company;
- (d) reviewing and recommending to the Board any employment agreements with executive officers of the Company;
- (e) annually reviewing and recommending to the Board the compensation of the directors of the Company;
- (f) determining grants of options under the Company's stock option plan and recommending the same to the Board for approval; and
- (g) reviewing public disclosure of executive and director compensation.

The Board relies on the knowledge and experience of the members of the CCG Committee in carrying out its responsibilities and to recommend appropriate levels of compensation for the Company's executive officers. Under its Charter, the CCG Committee may also engage any external professional advisors, which it deems necessary to carry out its duties. However, to date, the CCG Committee has not retained any compensation consultant or advisor to assist the CCG Committee or the Board in determining compensation for the company's directors or executive officers.

A complete copy of the CCG Committee charter is available on the Company's website at www.almonty.com. Additional information with respect to the Board and the CCG Committee can be found in the section "*Corporate Governance – Board of Directors*" and "*Corporate Governance – Compensation and Corporate Governance Committee*", below.

Executive Compensation Program Design and Philosophy

The Company's executive compensation program is based on a pay-for-performance philosophy and is designed to deliver consistently strong performance for Shareholders. The Company's program is intended to achieve the following key objectives:

- (a) aligning the interests of the Company's executive officers and directors with those of its Shareholders;
- (b) attracting and retaining highly trained, experienced and committed executive officers and directors, whose performance will directly affect the Company's ongoing financial performance; and
- (c) motivating and rewarding executive officers and directors by linking incentive compensation to Shareholder value, the achievement of general business objectives, and financial and operational results.

The Company's compensation program is comprised of base salary, short-term incentive compensation and long-term incentive compensation. These components are discussed in more detail below. In setting the value of each of these components, the CCG Committee considers the performance of both the Company, as well as the individual performances of its executive officers for the period in question. The CCG Committee does not generally set specific performance objectives and so relies on its experience and judgment in determining compensation. However, the CCG Committee will generally have regard to, among other things:

- (a) The Company's performance relative to its general goals and objectives.
- (b) The Company's performance relative to the mining industry as a whole, which, the Board, from time to time, determines on the basis of the size, scope and complexity of the other firms' businesses and operations compared to those of the Company, with regard to factors including the relative stage of development, production levels, past exploration and development success, revenue levels, total assets, free cash flow and capital expenditures.
- (c) The relative competitiveness of the Company's compensation program when compared with the similar companies in the same industry.
- (d) The Company's share price and market capitalization.
- (e) Developments in, and the stability of, the financial markets more generally.

The CCG Committee has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a general consideration of the CCG Committee when implementing the Company's compensation policies and the CCG Committee does not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

The Company maintains an Insider Trading Policy that prohibits insiders from engaging in short sales of securities of the Company, buying or selling puts, calls or other derivatives in respect of securities of the Company, or purchasing the Company's securities on margin as held in a margin account.

Elements of the Company's Executive Compensation Program

Base Salaries

Base salaries are considered to be an essential element in attracting and retaining highly qualified executive officers who are critical to the Company's success. An executive officer's base salary is intended to provide a fixed level of pay that reflects each executive officer's experience, primary duties and responsibilities. It also provides a foundation upon which performance based incentive compensation elements are assessed. Base salaries are established by taking into account individual performance, experience, level of responsibility and pay practices in the mining industry generally. Base salaries of all executive officers are reviewed annually by the CCG Committee and approved by the Board.

Short-Term Incentive Compensation

The Company may pay discretionary cash bonuses, which are intended to reward individual contribution to corporate performance over the course of the Company's most recently completed fiscal year end December 31, 2022. Bonuses are paid at the discretion of the Board, on the recommendation of the CCG Committee, and neither the CCG Committee nor the Board has established any particular trigger or formula for determining when an award will be made under this plan, nor the quantum of any award that is made. Instead, the CCG Committee and the Board will generally consider all aspects of an individual executive's personal contribution to corporate performance and general objectives when making a determination.

Long-Term Incentive Compensation – Security-Based Awards

Stock Option Plan

The Company has established a Stock Option Plan (the "**Stock Option Plan**") to provide long-term incentives to eligible directors, officers, employees and consultants. Stock Option Plan was initially adopted by the Company on February 10, 2010 when the Company was a Capital Pool Company (as defined in the TSX Venture Exchange's Corporate Finance Manual), an amended and restated Stock Option Plan was initially approved by Shareholders at the Company's annual meeting of Shareholders on March 26, 2013, and a further amended and restated Stock Option Plan was approved by the Shareholders at the annual meeting of Shareholders held on March 22, 2016. As part of the Company's listing on the Exchange, the Stock Option Plan was amended to bring certain provisions of the Stock Option Plan in-line with the requirements of the Exchange, and to remove certain provisions that were required when the Shares were listed on the TSX Venture Exchange and to make certain other corresponding amendments. At an annual and special meeting of Shareholder held on June 30, 2022, Shareholders approved such amendments as well as all unallocated options, rights or other entitlements under the Stock Option Plan until June 30, 2025.

The Board, on the recommendation of the CCG Committee, has the authority to grant Options to officers, directors, employees or consultants (or a corporation employing or wholly-owned by such persons), including consultants that provide investor relations activities to the Company, on such terms, limitations, conditions and restrictions as the Board deems necessary or advisable.

The Stock Option Plan is intended to advance the interests of the Company by encouraging the officers, directors, employees and consultants of the Company, and of its subsidiaries, to acquire Shares, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

Ownership of Shares is intended to align the interests of the Company's executive officers, directors and other stakeholders with those of the Shareholders, as participation in the Stock Option Plan rewards overall corporate performance, as measured through the price of the Shares. The Stock Option Plan is also intended to assist in the recruitment and retention of key personnel. As with many similar companies within the same industry of the Company, the granting of Options forms an integral component of the Company's overall executive compensation package. The Stock Option Plan enables executive officers to develop and maintain an ownership interest in the Company.

Options are normally awarded upon the commencement of an executive officer's employment with the Company, with the size of the award determined by the level of the executive officer's responsibility within the Company. The Board, on the recommendation of the CCG Committee, has authority to make additional grants from time to time, and such awards are intended to ensure that the number of Options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Company. The Board and CCG Committee also have regard to other factors when determining whether to make an additional award of Options to an individual under the Stock Option Plan, including the number of outstanding Options already granted to that individual, the value of such Options and the total number of Options available for grant under the Stock Option Plan. See the section "*Executive Compensation – Compensation Discussion and Analysis – Summary of the Stock Option Plan*", below, for further information regarding the Stock Option Plan.

Summary of the Stock Option Plan

The below provides a summary of the terms of the Stock Option Plan and Options granted thereunder.

The Stock Option Plan is designed to provide additional flexibility to the Board and Compensation and Corporate Governance Committee of the Board (the "**CCG Committee**") in implementing their compensation objectives.

Under the Stock Option Plan for eligible directors, officers, consultants and employees, the Company may grant Options to purchase Shares to such eligible directors, officers, consultants and employees as the Board deems advisable. The Stock Option Plan provides that the maximum number of Shares issuable upon the exercise of Options under the Stock Option Plan, together with all of the Company's other previously established or proposed stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, shall not exceed 10% of the issued and outstanding Shares (on a non-diluted basis) as at the date of grant of any Option under the Stock Option Plan. As a result, should the Company issue additional Shares in the future, the number of Shares issuable under the Stock Option Plan will increase accordingly. As of the date of this Circular and pursuant to the Stock Option Plan, the maximum number of Shares issuable upon exercise of options is 14,775,000 and 1,904,489 Options remain issuable under the Stock Option Plan.

The Stock Option Plan is considered an "evergreen" plan, since the Shares covered by Options which have been exercised shall be available for subsequent grants under the Stock Option Plan and the number of Options available to grant increases as the number of issued and outstanding Shares increases. The exercise price shall be set by the Board and shall not be less than the market price of the Shares at the time of grant of the Option. The Board sets the terms of the Options, provided that such term shall not exceed 10 years. The Board also approves the vesting period or periods of Options granted under the Stock Option Plan. Under the rules of the Exchange, unallocated option entitlements under a stock option plan that does not provide for a fixed number of shares for issuance, such as the Company's Stock Option Plan, must be specifically approved every three years by Shareholders. The Company does not provide financial assistance to participants under the Stock Option Plan to facilitate payment of the exercise price of Options.

As at the date hereof, Options to acquire 14,775,000 Shares (which represent 6.5% of the currently issued and outstanding Shares) had been granted and were outstanding pursuant to the Stock Option Plan and 201,000 Shares have been issued upon exercise of options previously granted under the Stock Option Plan. Options to acquire Shares were granted under the Stock Option Plan during the most recently completed fiscal year ended December 31, 2022 to: (i) the Named Executive Officers (5,550,000 on July 22, 2022); (ii) to directors (875,000 on July 22, 2022); and (iii) to other key employees/consultants (25,000 on July 22, 2022).

The annual burn rate of Options in respect of: (i) most recently completed fiscal year ended December 31, 2022 was 3.03%; (ii) fiscal 2021 was 0.75%; and (iii) fiscal 2020 was 1.13%. "Annual burn rate" is the number of Options granted under the Stock Option Plan during the applicable fiscal year divided by the weighted average number of

Shares outstanding for the applicable fiscal year, as required to be calculated and disclosed pursuant to Sections 613(p) and 613(d)(iii) of the TSX Company Manual.

The Stock Option Plan also has the following terms, among others:

1. the exercise price for each Option granted (following the listing of the Shares on the Exchange on June 1, 2018) shall be the “market price” on the date the Option is granted. The “market price” is equal to the volume weighted average price at which the Shares have traded on the Exchange for the five trading days immediately preceding the date of grant;
2. the Board fixes the vesting terms it deems appropriate when granting Options;
3. the Stock Option Plan does not provide for a maximum number of Shares which may be issued to an individual pursuant to the Stock Option Plan and any other share compensation arrangement (expressed as a percentage or otherwise) except with respect to insiders as described below;
4. Options terminate within a period of time following an optionee ceasing to be a director, officer, consultant or employee of the Company or of a subsidiary of the Company, being the earlier of the original expiry date and (i) the date of termination, in the case of termination for just cause; (ii) one year in the case of death; and (iii) thirty days in all other cases, subject to the discretion of the Board. Any Option not vested at the date of such termination shall be immediately cancelled;
5. the number of Shares issuable to insiders of the Company at any time pursuant to all of the Company’s share compensation arrangements shall not exceed 10% of the outstanding Shares on a non-diluted basis and the number of Shares issued to insiders of the Company, within any one year period, pursuant to all of the Company’s share compensation arrangements, shall not exceed 10% of the outstanding Shares on a non-diluted basis;
6. Options are not transferable otherwise than by will or by the laws of descent and distribution, and Options are exercisable, during the holder’s lifetime, only by the holder;
7. if the date on which an Option expires occurs during or within nine business days after the last day of a trading black-out period imposed pursuant to the Company’s insider trading policy, then the expiry date of such Option shall be the date that is ten business days following the date of expiry of the trading black-out period;
8. accelerated vesting of Options under the Stock Option Plan at the Board’s discretion in the event of: (i) a Take-Over Bid or Issuer Bid (as such terms are defined in the Stock Option Plan) (other than a “normal course” Issuer Bid) made for all or any of the issued and outstanding Shares; or (ii) a Change of Control (as defined in the Stock Option Plan) of the Company; and
9. schedules for the form of Option agreement for options issued, as well as a form for optionees to use to exercise Options.

The Board may, with Exchange approval, at any time amend, modify or terminate the Stock Option Plan if and when it is advisable in the discretion of the Board, except that Shareholder approval is required in respect of:

- (a) any amendments to the maximum number of Shares reserved for issuance under the Stock Option Plan;
- (b) any amendment which reduces the exercise price of an Option that is held by an insider of the Company;
- (c) any amendment extending the term of an Option held by an insider of the Company beyond its original expiry date except as otherwise permitted by the Stock Option Plan;
- (d) any amendment which increases the limit on grants of Options to insiders of the Company under the Stock Option Plan;
- (e) the inclusion in the Stock Option Plan of amendment provisions granting additional powers to the Board to amend the Stock Option Plan or Option entitlements thereunder without Shareholder approval; and

- (f) amendments required to be approved by Shareholders under applicable law (including, without limitation, Exchange policies and securities laws).

Where Shareholders approval is sought for amendments under subsections (b) (c) or (d) above, the votes attached to Shares held directly or indirectly by insiders of the Company benefiting from the amendment must be excluded.

Other than as specified above, the Board may approve all other amendments to the Stock Option Plan or Options granted under the Stock Option Plan. Without limiting the generality of the foregoing, the following types of amendments would not require shareholder approval:

- (a) amendments of a “housekeeping” or ministerial nature, including any amendment for the purpose of curing any ambiguity, error or omission in the Stock Option Plan or to correct or supplement any provision of the Stock Option Plan that is inconsistent with any other provision of the Stock Option Plan;
- (b) amendments necessary to comply with the provisions of applicable law (including, without limitation, including, without limitation, Exchange policies and securities laws);
- (c) the addition or modification of a cashless exercise feature, payable in securities or cash of the Company;
- (d) amendments respecting administration of the Stock Option Plan;
- (e) any amendment to the vesting provisions of the Stock Option Plan or any Option;
- (f) any amendment to the early termination provisions of the Stock Option Plan or any Option, whether or not such Option is held by an insider of the Company, provided such amendment does not entail an extension beyond the original expiry date;
- (g) amendments necessary to suspend or terminate the Stock Option Plan; and
- (h) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law (including, without limitation, without limitation, Exchange policies and securities laws).

Summary of the 2020 Restricted Share Unit Plan

The Company adopted the RSU Plan in 2020, a copy of which is attached to the Management Circular filed on SEDAR on May 19, 2021. The purpose of the RSU Plan is to enhance the Company’s ability to attract and retain talented employees, to promote an alignment of interests between such employees and the shareholders of the Company and to facilitate share ownership in the Company by its employees.

Award of Units

Pursuant to the RSU Plan, the CCG Committee, or such other committee or persons designated by the Board for purposes of the RSU Plan may from time to time award Restricted Share Units (in this section referred to as “Units”) to Eligible Directors or Eligible Employees (collectively, “Participants”). Eligible Directors are the directors of the Company or any affiliate of the Company. Eligible Employees are employees (including employees who are officers or directors) of the Company or any affiliate of the Company, whether or not they have a written employment contract with the Company, determined by the Board, upon recommendation of the CCG Committee, as employees eligible for participation in the Plan. Eligible Employees may also include Service Providers eligible for participation in the Plan as determined by the Board. For purposes of the RSU Plan, Service Provider means any person or company engaged by the Company or an affiliate to provide services for an initial, renewable or extended period of 12 months or more.

At the time of each award of Units, the CCG Committee will designate whether the Units awarded to a Participant are to be settled in cash or Shares, or in part cash and part Shares. Units settled in cash are hereinafter referred to as “Cash Units” and Units settled in Shares are referred to as “Share Units”.

Number of Common Shares Available for Issuance

Under the RSU Plan, the aggregate number of Shares that may be reserved for issuance under the Plan on the award of Units, together with any other security-based compensation arrangements, at any particular time shall not exceed 10% of the issued and outstanding Common Shares. If a Participant forfeits his or her Units, the applicable underlying Shares in respect of such forfeited Units become available for re-issuance under the RSU Plan.

The aggregate number of Shares issued to insiders of the Company within any 12 month period, or issuable to insiders of the Company at any time, under the Plan or when combined with any other security based compensation arrangements of the Company, may not exceed 10% of the total number of issued and outstanding Shares at such time.

Rights and Restrictions Attached to Restricted Share Units

Participants do not have any rights as a shareholder of the Company in respect of the Units. Accordingly, Participants are not entitled to vote the Shares underlying the Share Units. Units are not assignable by a Participant.

Resignation or Other Cessation of Employment

If the employment of a Participant is terminated for any reason other than death or disability, the Participant forfeits all right, title and interest with respect to any unvested Units awarded to the Participant under the RSU Plan and such Units will immediately expire and be cancelled on such termination date, unless otherwise determined by the CCG Committee. Any vested Units will continue to be governed by the RSU Plan (see “Settlement” below). If a Participant dies or becomes disabled, his or her Units will vest immediately.

Vesting

Units will vest in accordance with the terms set by the CCG Committee at the time Units are awarded.

Change in Control

In the event there is a change of control of the Company (as defined in the RSU Plan) and the employment of a Participant is terminated without cause within twelve months after the change of control, the Participant’s Units will vest on the date of termination of employment.

Settlement

For Share Units, the number of Shares received by a Participant upon vesting shall be equal to the number of such Units vested on the settlement date. Also, at any time prior to the settlement date, a Participant may request that his or her Share Units be settled in cash, and the CCG Committee may, in its absolute discretion, agree to settle such Units in cash.

For the purpose of settling Cash Units, the amount of cash payable shall be determined by multiplying the number of such Units by the Fair Market Value (as defined below) on the date a determination is required, namely the earliest of: (a) the date of the Participant’s death or disability; (b) the last day of employment of the Participant; (c) the settlement date(s) set out in any grant instrument; or (d) the Latest Settlement Date (as defined in the RSU Plan). The value will be paid to a Participant net of all applicable taxes and other amounts required to be withheld determined in the sole discretion of the Company, within 30 days of the date the Fair Market Value of the applicable Units was determined.

Dividend Equivalents

In the event a dividend becomes payable on the Shares, on the payment date for such dividend, each Participant’s account shall be credited with a number of Units (including fractional Units) equal to: (a) the amount of the dividend paid per Share multiplied by the number of Units credited to the Participant’s account as of the record date for

payment of the dividend, divided by (b) the weighted average trading price for the Shares on the TSX on the five trading days prior to that date (the “**Fair Market Value**”) as of the date for payment of the dividend. Subject to the RSU Plan, Units credited to a Participant’s account will generally vest at the same time as the related Units vest and will generally be settled in the same form, in cash or Common Shares, as the related Units.

Amendment of the RSU Plan and Units awarded under the RSU Plan

The Board may amend or terminate the RSU Plan, or any Units awarded under the Plan, at any time and in such manner and to such extent as it deems advisable. Any amendments shall be contingent on approval of the Company’s Shareholders to the extent required by the RSU Plan, or as required by applicable law or by any stock exchange on which Shares are listed. Shareholder approval is required for:

- (i) an increase in the maximum number of Shares reserved for issuance under the RSU Plan or a change from a fixed maximum number of Common Shares to a fixed percentage;
- (ii) any amendment to the amendment provisions of the RSU Plan;

CORPORATE GOVERNANCE

The following discussion of the Company’s corporate governance policies and practices is provided pursuant to the disclosure requirements applicable to it as set out in applicable securities laws and the policies of the Exchange. The Company is not a “venture issuer” for purposes of these laws and policies and it is required to provide this disclosure relating to its corporate governance policies and practices annually.

National Policy 58-201 – *Corporate Governance Guidelines* (“NP 58-201”) sets out guidelines for effective corporate governance. These guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”) requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors, specified disclosure of the corporate governance practices must be included in its management information circular.

The Company and the Board recognize the importance of corporate governance to the effective management of the Company and to the protection of its employees and Shareholders. The Company’s approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance shareholder value. The Company’s corporate governance practices are in compliance with applicable Canadian requirements. The Company continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The Board has considered the guidelines set out in NP 58-201 and believes that its approach to corporate governance is appropriate and works effectively for the Company and its Shareholders, given its size.

Cognizant of these regulatory requirements and the evolution of best practices, the Board has been, and will continue to be, proactive in reviewing and amending the Company’s governance practices.)

A. BOARD OF DIRECTORS

Mandate of the Board of Directors

On January 23, 2012, the Board approved a written Mandate of the Board to assist it in the better execution of its responsibilities, the text of which is attached hereto as Schedule “A”. The mandate provides certain guidelines for Board composition and conduct, and highlights particular areas of the conduct of the Company’s affairs for which the Board assumes specific responsibility.

Composition and Independence

The Board facilitates its exercise of independent supervision over management by ensuring representation on the Board by directors who are independent of management and by promoting frequent interaction and feedback.

Applicable securities laws, including NP 58-201, recommend that boards of directors of non-venture issuers such as the Company be comprised of a majority of independent directors, as that term is defined under applicable securities laws. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board has reviewed the relationship between each current director that is standing for re-election and the Company with a view to determining independence. Based on that review, three of the Company’s five existing directors submitted for proposed re-election at the Meeting are independent.

The independent directors are:

- Thomas Gutschlag;
- Mark Trachuk; and
- Andre Frazer.

In addition, David Hanick, director nominee, if so elected, will also be an independent director.

The non-independent directors are:

- Lewis Black; and
- Daniel D’Amato.

Mr. Black is not independent of the Company by virtue of his role as Chief Executive Officer of the Company. Mr. D’Amato is not independent by virtue of the fact that he received \$233,400 from the Company for consulting fees for the most recently completed fiscal year ended December 31, 2022.

The Board has overall responsibility for the governance of the Company, including the exercise of independent supervision of the Company’s management. The Board considers that management is, and has been, effectively supervised by the independent directors on an informal basis, as these independent directors are, and have been, actively and regularly engaged in reviewing the operations and activities of the Company, and have full and regular access to management of the Company. Though the current Chairman is not independent, the independent directors have sufficient breadth of experience to operate without necessarily needing to rely on the leadership of the Chairman.

Directorships of Other Reporting Issuers

None of the current directors of the Company presently serve on the board of directors of any other reporting issuers (or the equivalent) in a Canadian jurisdiction or a foreign jurisdiction, other than as set out below.

Name of Director	Name of Reporting Issuer (or the Equivalent)	Name of Exchange
Michael Costa	Fortress Technologies Inc. (formerly, Fortress Blockchain Corp.) Base Carbon Inc.	TSX Venture NEO Exchange
Thomas Gutschlag Mark Trachuk	Deutsche Rohstoff AG Playmaker Capital, Inc. Thunderbird Entertainment Group Inc.	Frankfurt Stock Exchange TSX Venture TSX Venture

Board Meetings and Attendance

Meetings of the non-management directors at which members of management (including the President and Chief Executive Officer) are not in attendance are generally held immediately after regularly scheduled Board meetings. In addition, the Company's Board committees operate under approved charters and chair mandates, and can and do meet and operate independently of non-independent directors and management in fulfilling their mandates and making recommendations to the Board.

The following is a summary of the meetings of the Board and the meetings of the Audit and Compensation and Corporate Governance Committees of the Board held during fiscal 2022 and the attendance at these meetings by the directors:

B. AUDIT COMMITTEE

The audit committee of the Board (the "Audit Committee") is currently comprised of Mr. Michael Costa, Mr. Thomas Gutschlag and Mr. Mark Trachuk (Chair), all of whom are financially literate and independent within the meaning of NI 52-110. The Company complies with the composition requirements for audit committees under NI 52-110 which requires that all the members of the Audit Committee be independent.

Further information regarding the Audit Committee, including a copy of the charter of the Audit Committee, can be found in the Company's annual information form dated March 31, 2023, a copy of which is available for review under the Company's SEDAR profile at www.sedar.com.

C. COMPENSATION AND CORPORATE GOVERNANCE COMMITTEE

The CCG Committee is comprised of Daniel D'Amato, Mr. Thomas Gutschlag and Mark Trachuk (Chair), all of whom have been determined by the Board to be independent under NI 58-101, other than Mr. D'Amato for the

reasons described above. The CCG Committee assists the Board in fulfilling its oversight responsibilities with respect to each of the areas discussed below.

Compensation

As discussed above, responsibility for matters relating to the overall compensation philosophy and guidelines for the directors and officers of the Company lies with the CCG Committee. The CCG Committee annually reviews and recommends to the Board, the adequacy and form of compensation of the directors of the Company in light of the responsibilities and risks involved in being such a director. The CCG Committee is also responsible for annually evaluating the performance of the Chief Executive Officer of the Company and recommending to the Board his or her annual compensation package. A detailed discussion and analysis of the Board's and the CCG Committee's approach to the determination of compensation is provided in the section "*Executive Compensation – Compensation Discussion and Analysis*", above.

Nomination of Directors

In addition to its oversight mandate with respect to compensation matters, responsibility for matters relating to the identification and nomination of directors lies with the CCG Committee. The CCG Committee is responsible for reviewing and reporting to the Board on matters relating to the identification, nomination and review of directors, including:

- (a) developing criteria for selection of directors and procedures to identify possible nominees;
- (b) reviewing and assessing qualifications of director nominees including potential conflicts of interest;
- (c) submitting to the Board for consideration and decision, names of the nominees to be brought forward to the next annual meeting of Shareholders or to be appointed to fill vacancies between such meetings; and
- (d) determining if any Board member's qualifications or credentials since appointment have changed, or other circumstances arisen, so as to warrant a recommendation that such member resigns.

The CCG Committee does not currently have a written procedure for identifying new candidates for Board membership. In the normal course, the CCG Committee makes use of the formal and informal networks of the members of the Board and carries out formal searches for candidates when so directed by the Board.

Orientation and Continuing Education

Responsibility for orientation and continuing education of the Company's directors lies with the CCG Committee. The CCG Committee's charter provides it with a specific mandate to develop and review annually programs for the orientation of new directors and the ongoing education of existing directors. With respect to orientation, the CCG Committee relies on informal orientation programs that are tailored to the particular needs and experience of the new director in question and to the needs of the Board at that time. The CCG Committee will provide such information to new members of the Board so as to ensure that such directors are familiar with the Company's business and procedures of the Board. Information may include the Company's corporate and organizational structure, recent filings and financial information, governance documents and important policies and procedures. The CCG Committee also ensures that every director possesses the capabilities, expertise, availability and knowledge required to fill his or her position adequately. With respect to ongoing education, the CCG Committee relies on its professional advisors to provide updates to the various members of the Board regarding changes in relevant policies, laws or regulations, and on a cultural expectation that directors communicate with the Company's management and professional advisors, as well as attend relevant industry conferences, in order to remain abreast of developments in the Company's industry and legal and regulatory environment. From time to time, the CCG Committee may arrange on-site tours of the Company's operations.

Assessments

Primary responsibility for assessing the performance of the Board, its committees and individual members lies with the CCG Committee. Pursuant to the CCG Committee's charter, the committee's responsibilities in this regard include the conduct of annual reviews of various aspects of the Company's corporate governance policies and

practices, and in particular to conduct an annual review, together with the Chairman of the Board, of the effectiveness of the Board as a whole, the committees of the Board, and the contribution of each individual director, and to make periodic reports to the Board on these matters. The CCG Committee is also responsible for reviewing and making recommendations to the Board with respect to the establishment or abolition of committees of the Board, their respective terms of reference, and the size and composition of the various committees of the Board.

Director Term Limits

The Company has not adopted term limits for directors on the Board or other mechanisms of board renewal as the Board is of the view that it is in the Company's best interests to retain experienced board members who are familiar with the Company's business and can provide continuity to its management. Instead, the Board currently assesses the performance of directors based on their ability to continue to make a meaningful contribution.

Diversity on the Board of Directors and among Executive Officers

The Company does not currently have a formal diversity policy in place regarding gender representation on the Board or in executive officer positions. The Company believes in retaining the most qualified candidate for any position irrespective of gender, and recruitment efforts will continue to be governed by the principles set forth below.

However, informally, in identifying and selecting director or executive officer nominees, the Company values diversity, including, without limitation, diversity of experience, perspective, education, race, gender and national and ethnic origin, religion, sexual orientation, political belief and disability, as among the many factors taken into consideration during the search process. The Company also considers, among other things, the qualifications, personal qualities, business background and relevant experience of individual candidates as well as the overall composition of the Board or executive officers with a view to identifying and selecting the best and most complementary candidates. The CCG Committee and the Board intend to consider whether the Company should adopt specific policies and practices regarding the representation of members of Designated Groups on the Board and in executive office positions, including the setting of targets for such representation.

As at the date hereof, none of the members of the Board nor any executive officers self-identify as members of any Designated Group.

D. ETHICAL BUSINESS CONDUCT

As a responsible corporate citizen, the Company is committed to conducting its affairs with integrity, honesty, fairness and professionalism. On January 23, 2012, the Board approved a series of formal, written policies intended in part to promote ethical business conduct by the Company and its directors, executive officers and employees. In addition to the Board being subject to the written mandate of the Board, as discussed above, and to the general requirement that the Company and its directors, executive officers, employees and consultants act in accordance with all applicable laws, these formal policies include:

- (a) *Code of Business Conduct*: Intended to promote the fundamental values of integrity, honesty, fair dealing and transparency, the code imposes certain and specific obligations on the directors, executive officers and employees of the Company to achieve this objective and provides for certain sanctions in the event of non-compliance. Responsibility for conducting periodic reviews of this Code of Business Conduct and overseeing management's monitoring of compliance with the Code of Business Conduct lies with the CCG Committee.
- (b) *Whistleblower Policy*: This policy imposes a general obligation on the Company's directors, executive officers, employees, consultants and contractors to submit all good faith concerns and complaints in respect of any matter that may constitute a breach of the Company's Code of Business Conduct, and in particular with respect to concerns about the Company's accounting, internal control or auditing procedures, to the Chair of the Audit Committee. Responsibility for administering this policy lies with the Audit Committee.
- (c) *Insider Trading Policy*: Intended to ensure compliance with applicable securities laws relating to insider trading and tipping, as well as avoiding the occurrence or appearance of improper trading or tipping and assisting the Company's directors, officers and employees to comply with their obligations under such laws.

This policy outlines certain general obligations and provides for certain sanctions in the event of non-compliance with its terms by any of the Company's directors, executive officers, employees or consultants.

SCHEDULE “A”

MANDATE OF THE BOARD OF DIRECTORS

May 28, 2021

The Board of Directors (the “**Board**”) of Almonty Industries Inc. (the “**Corporation**”) believes that the appropriate mix of skills, experience, age and gender will help to enhance its performance. The Board’s composition should reflect business experience compatible with the Corporation’s business objectives.

Fiduciary Duty and Duty of Care

The Board’s fundamental relationship with the Corporation is guided by a fiduciary principle that requires each director to act honestly and in good faith with a view to the best interests of the Corporation. In exercising their powers and discharging their duties, every director must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. These principles require a director to put the Corporation’s interests first, avoid conflicts of interest and avoid exploiting business opportunities of the Corporation for self-interested purposes. This mandate is not intended to expand upon the standards of conduct prescribed under statutory or regulatory requirements for directors of a corporation.

The Board may designate the officers of the Corporation, specify their duties and delegate to them powers to manage the day to day business and affairs of the Corporation. In addition, the Board discharges its responsibilities through standing committees such as the Audit and Risk Management Committee and the Nomination, Compensation and Corporate Governance Committee and may also periodically form special committees to address specific issues of a more short-term nature. The duties and responsibilities delegated to standing committees of the board are prescribed in the charters for such standing committees.

Additionally, absent actual knowledge to the contrary, the Board shall be entitled to rely on (i) the integrity of those persons or organizations within or outside the Corporation from which it receives information, (ii) the accuracy of the financial and other information provided by such persons or organizations, and (iii) representations made by management and such persons or organizations in relation to any services provided by such persons or organizations to the Corporation and its subsidiaries.

Meetings

The Board shall meet at least four times annually, or more frequently, as circumstances dictate. In addition, the Board shall hold separate, regularly scheduled meetings of independent directors at which members of management are not present.

Independent Directors

An independent director is a non-executive director who is free of any interest, position, association or relationship that might influence, or could reasonably be perceived to influence, in a material respect his or her capacity to bring independent judgment to bear on issues before the Board and to act in the best interests of the entity and its security holders generally.

Where a director is in a position that might cause doubts or raise issues about the independence of a director, the Board should rule the director not to be independent unless it is clear that the interest, position or relationship in question is not material and will not interfere with the director's ability to bring an independent mind to issues or to act in the Company's best interests as a whole.

Family ties and cross directorships which may relate to the Company or its business may be relevant in considering interests and relationships which may compromise independence, and should be disclosed by Directors to the Board. The Board will:

- regularly review the independence of each Director in light of interests disclosed and will disclose any change to ASX, as required by the ASX Listing Rules and the TSX Company Manual and applicable Canadian securities laws; and
- review the independence of any director who has served in that position for more than 10 years to confirm that their independent status can be maintained.

Senior manager

A senior manager is a manager who is a member of the key management personnel of the Company, including an executive director but not including a non-executive director.

The senior management team will usually be responsible for implementing the entity's strategic objectives and instilling and reinforcing its values, all while operating within the values, code of conduct, budget and risk appetite set by the Board.

The senior management team will also usually be responsible for providing the Board with accurate, timely and clear information on the entity's operations to enable the Board to perform its responsibilities.
