تحية طيبة وبعد،،،

Greetings,

Subject: BOD Meeting Results

We would like to inform you that The BOD Meeting was held on 08/03/2023 & the following resolutions were passed:

- 1. Approved Annual Consolidated Financial Statements for Heavy Engineering Industries Company Shipbuilding and and its subsidiaries the ended year 31 December 2022.
- 2. The Analyst/ Investor conference will take place on Tuesday 14 March 2023 at 3:00 pm local time, via live internet broadcast. All interested parties may communicate with HEISCO to obtain invitation & access details through email (investorsaffairs@heisco.com)
- Consolidated Financial Statements External Auditors Report for the year ended 31/12/2022 is attached.

الموضوع: نتائج إجتماع مجلس الإدارة

يرجى التفضل بالعلم بأن مجلس إدارة الشركة قد قرر في إجتماعه المُنعقد بتاريخ 08 مارس 2023 التالي:

- 1. إعتماد البيانات المالية المُدققة المُجمعة لشركة الصناعات الهندسية الثقيلة وبناء السفن وشركاتها التابعـة عـن السنة الماليـة المنتهيـة فـي 31 ديسـمبر . 2022
- 2. تقرر عقد مؤتمر المحللين / المستثمرين عن طريق البث المباشر على شبكة الإنترنت في تمام الساعة الثالثة عصراً يوم الثلاثاء الموافق 14 مارس 2023 وفق التوقيت المحلى، ويمكن للأطراف المهتمة التواصل مع الشركة للحصول على الدعوة وعلى تفاصيل المشاركة في المؤتمر من خلال البريد الإلكتروني (investorsaffairs@heisco.com)
- مرفق نموذج نتائج البيانات المالية بالإضافة إلى البيانات المالية بالإضافة إلى البيانات المالية بالإضافة إلى البيانات المالية المُجمعة وتقرير مراقب الحسابات عن السنة المالية المنتهية في 2022/12/31 .

Yours Sincerely

مرزوق ناصر الخرافي رئيس مجلس الإدارة Marzouk Naser Al-Kharafi Chairman

وتفضلوا بقبول وافر التقدير والاحترام،،،

Heavy Engineering Industries and Shipbuilding Company K.S.C.P.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Heavy Engineering Industries and Shipbuilding Company K.S.C.P. ("the Parent Company") and its subsidiaries (together referred to as "the Group"), which comprise the consolidated statement of financial position as at 31 December 2022, and the consolidated statement of income, consolidated statement of comprehensive income, consolidated statement of changes in shareholders' equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2022, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each key audit matter below, our description of how our audit addressed the matter is provided in that context.

Key audit matter

Revenue recognition

The construction industry is characterized by contract risk with significant judgements involved in the assessment of both current and future contract financial performance. In reference to the accounting policy Note 2.12 to these consolidated financial statements, revenue from civil construction and service contracts is recognized using the percentage of completion method which is an input method. The stage of completion is measured based on the total costs incurred as a proportion of the estimated total costs to be performed.

How our audit addressed the key audit matter

Our audit work related to contract revenue, included:

- Assessment of the design and implementation and operating effectiveness of internal controls over the determination of the contract percentage of completion including the completeness and accuracy of the forecast cost to complete;
- Assessment of the method used to determine the stage of completion of contracts;

Heavy Engineering Industries and Shipbuilding Company K.S.C.P.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS (Continued)

Key audit matter

This requires significant judgement from management in determining the percentage of completion of the work performed; the measurement of contract variations and claims; the completeness and accuracy of forecast costs to complete; and the ability to deliver contracts within forecast timescales as late delivery of contracts can result in a reduction of the contract price. Actual results of contracts may significantly differ from estimates. Dependent on the level of judgement applied to each contract, the range of estimate on each contract can be individually material. In addition, changes in these judgements, and the related estimates, as contracts progress can result in material adjustments to revenue and profit margins. Accordingly, we considered this as a key audit matter.

How our audit addressed the key audit matter

- Assessment of the Group's ability to deliver contracts within budgeted cost and timescales and any exposures to liquidated damages for late delivery of contract work by inspecting performance reports, legal reports, and correspondence with customers;
- Testing the existence and valuation of claims and variations costs by inspecting correspondence with customers;
- Assessment of management's estimates to determine any future losses;
- Assessment of the Group's disclosure relating to revenue in the consolidated financial statements against the requirements of IFRSs.

Other Information

Management is responsible for the other information. Other information consists of the information included in the Group's 2022 Annual Report, other than the consolidated financial statements and our auditor's report thereon. We obtained the report of the Parent Company's Board of Directors, prior to the date of our auditor's report, and we expect to obtain the remaining sections of the Annual Report after the date of our auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Heavy Engineering Industries and Shipbuilding Company K.S.C.P.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS (Continued)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is
 higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's
 internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists, related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the
 disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a
 manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate to those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated to those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Heavy Engineering Industries and Shipbuilding Company K.S.C.P.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS (Continued)

Report on Other Legal and Regulatory Requirements

Furthermore, in our opinion, proper books of accounts have been kept by the Parent Company and the consolidated financial statements, together with the contents of the report of the Parent Company's Board of Directors relating to these consolidated financial statements, are in accordance therewith. We further report that we obtained all the information and explanations that we required for the purpose of our audit; and that the consolidated financial statements incorporate all information that is required by Companies Law No. 1 of 2016, and its executive regulations, as amended; and by the Parent Company's Memorandum of Incorporation and Articles of Association, as amended; that an inventory was duly carried out; and that, to the best of our knowledge and belief, no violation of the Companies Law No. 1 of 2016, and its executive regulations, as amended; or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, have occurred during the year ended 31 December 2022 that might have had a material effect on the business of the Group or on its consolidated financial position.

We further report that, during the course of our audit, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No 7 of 2010, as amended, concerning the Capital Markets Authority and its related regulations during the year ended 31 December 2022 that might have had a material effect on the business of the Parent Company or on its financial position.
