The Coretec Group to Host a Shareholder Call on August 17 to Highlight 2022 Milestones and Outline End-of-Year Goals

8/10/2022

The Company will update shareholders on the latest developments of its Endurion battery program and CHS technology, and illuminate its plans for growth and development through the remainder of 2022

ANN ARBOR, Mich.--(BUSINESS WIRE)-- **The Coretec Group** (OTCQB: CRTG), developers of silicon anode active materials for lithium-ion batteries and cyclohexasilane (CHS) for EV, cleantech, and emerging tech applications, will host a shareholder call at 10:00 a.m. EST on Wednesday, August 17, 2022, to discuss the company's achievements in 2022 while also providing insights into the growth and development goals the Company aims to achieve.

In the first half of this year, Coretec has devoted significant time and resources toward the development of its **Endurion** battery program, which applies the company's expertise in silicon nanoparticles to manufacture silicon anodes for faster-charging, improved cycling, and increased energy density lithium-ion batteries. The shareholder call will provide an overview of the Endurion battery program and its technology.

Coretec will also review other major 2022 accomplishments, including the opening of its own, **fully operational wet laboratory**, the hiring of Research Scientist, Dr. Nathanael Downes, Ph.D. and **filing a full utility patent** on the company's provisional patent for the development of advanced silicon anodes using CHS and other silanes, among other notable achievements from the first half of the year.

Chief Executive Officer Matthew Kappers, Chief Financial Officer Matthew Hoffman, and VP of Partnerships and

Innovation, Dr. Michelle Tokarz, Ph.D., will be discussing the company's recent achievements and future plans for growth and development, in addition to answering questions submitted from the investment community and news media.

To submit questions for the shareholder call, please send an email to IR@thecoretecgroup.com by 5 p.m. EST on Monday, August 15, 2022.
