

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

Date(s): Tuesday, November 30 to Friday, December 31, 2021

Location: The alley behind 4208-4364 N. Kenmore Avenue

Work Hours: 7am – 7pm weekdays; potential weekend work

Work Activity: Lead Abatement and Painting

Local Impact:

- Crews will create rolling blockages in the alley during stated work hours.
- Access to garages and parking lots will be maintained either from the alley entrance at W. Montrose Avenue or W. Buena Avenue, depending on the location of crews.
- The contractor will continue to maintain garbage and recycling pickup.
- Crews will abate the CTA structure, using the following tools, some of which will produce noise:
 - Containment covers
 - Portable generator and air compressor
 - Power tools
 - A specialized vacuum
 - Environmental monitoring equipment
- Crews will collect paint chips, debris and dust and dispose pursuant to Illinois EPA Guidelines for Hazardous Waste.
