November 22, 2021

Lagos, Nigeria – Flour Mills of Nigeria Plc. ("FMN") today announced that it has reached an agreement with Honeywell Group Limited ("HGL"), the majority shareholder of Honeywell Flour Mills Plc. ("HFMP"), to acquire a 71.69% majority shareholding interest in HFMP. In addition, FMN also entered into an agreement with First Bank of Nigeria Limited ("FirstBank") to acquire the Bank's 5.06% equity in HFMP. Consequently, upon completion of the acquisition, and subject to obtaining all requisite regulatory approvals, FMN is set to hold a circa 76.75% equity interest in HFMP.

Given FMN's parallel negotiations for both stakes culminating in the agreements being signed on the same date, the basis for arriving at key commercial terms including final equity price per share, will be the same. The price payable to FirstBank will be the same with HGL's.

Commenting on the transaction, Omoboyede Olusanya, Group Managing Director of FMN, said: *"The proposed transaction is part of our global growth strategy; which is aligned with our vision to not only be an industry leader, but also, a national champion for Nigeria in the Food and Agro-allied industries".*
