U.S. 400 resurfacing project to start in Greenwood County

Monday, April 22, the Kansas Department of Transportation (KDOT) plans to begin a resurfacing project on U.S. 400 in Greenwood County. The 16.3-mile project starts at the Butler-Greenwood county line and continues east to the east K-99 junction.

Project activity includes surface recycling with an overlay. Flaggers and a pilot car will direct one-lane traffic through the work zone. Expect delays of 15 minutes or less during weekday daylight hours until July.

KDOT awarded the construction contract of \$4.7 million to Pearson Construction LLC, Wichita. Check KDOT's updated traveler information website, www.Kandrive.gov, for more highway condition and construction details. Persons with questions may contact Construction Manager Warren Ebberts at (620) 901-6549 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
