### **Southbound K-14 ramp closure in Reno County scheduled**

A ramp closure at the west K-14/U.S. 50 junction in Reno County is expected to begin Tuesday, April 2.

The closure will be on the ramp connecting southbound K-14 to westbound U.S. 50.

The closure is expected to end around Friday, April 5.

During the closure, motorists should seek other routes.

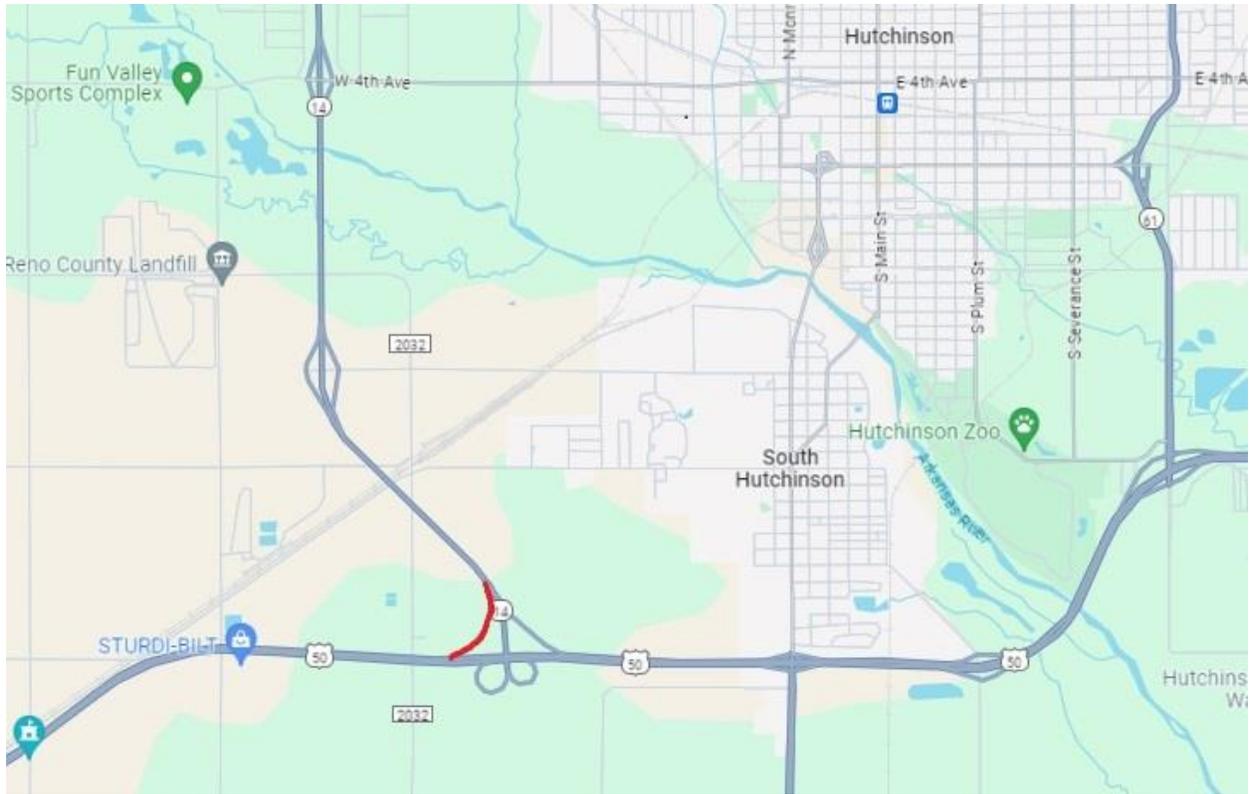

**The map below shows the ramp closure location, marked in red.**

The ramp closure is part of a nearly \$3.6 million patching project on K-14. The Kansas Department of Transportation project is from the west K-14/U.S. 50 junction north to Yaggy Road. The length is almost 7 miles. The work is expected to be completed around mid-August.

During the work, K-14 traffic will be restricted to one lane and controlled by flaggers or a pilot car. Ramps will be closed at times. Motorists should be prepared to slow down and stop and face delays of up to 15 minutes.

Iowa Civil Contracting Inc., of Victor, Iowa, is the primary contractor for the \$3,559,085 project.

For updated information on this and other KDOT highway projects and road conditions across the state, go to [www.kandrive.gov](http://www.kandrive.gov).
