

The weekly Bohannon Lecture Series will return to Fred Hesse Park, at 29301 Hawthorne Blvd, Rancho Palos Verdes, for in-person lectures beginning Wednesday, July 6th at 10:30am. Lectures will no longer be on Zoom.

Join us every week for stimulating lectures and discussions about art, history, music, opera, travel, science, the military, and more.

PORT of LOS ANGELES

Conflict, Commerce, and the Fight for Control

**Peninsula
Seniors**

Bohannon Lecture Series

Author and former executive director of the nation's largest seaport, Geraldine Knatz, will join us for a talk about the history of the Port of Los Angeles and her book, "Port of Los Angeles: Conflict, Commerce, and the Fight for Control." With years of research, Geraldine Knatz shapes an insightful story of the famous Port from its early entrepreneurs to the city's business and political leadership, and the inevitable conflicts that arose between them.
