

# EDMOND DE ROTHSCHILD REAL ESTATE SICAV – SWISS

## STRATEGY

Edmond de Rothschild Real Estate SICAV - Swiss («ERRES») invests in properties throughout Switzerland. The SICAV focuses its investment strategy on generating a stable rental yield on its properties, with complementary value creation on assets under construction, renovation or repositioning. In order to implement this strategy, the SICAV's target sector allocation breaks down into two-thirds residential properties to ensure recurring and stable income and one-third commercial properties (offices and artisanal) to boost results. Geographically, around three-quarters of the properties are concentrated in the Lake Geneva area and the balance in the dynamic urban centers of the rest of Switzerland. The portfolio is mainly made up of assets of CHF 10 to 60 million.

## MANAGER'S COMMENTARY:

### PRESENTATION RUE DANCET 8, GENEVA (GE)

Ideally located in the Plainpalais district of Geneva, around 200 m from the University of Geneva (Uni-Mail) and 400 m from the Geneva University Hospitals (HUG), this building was acquired by the SICAV at the end of 2020. Public transport links are excellent, with the «Uni-Mail» tramway stop 150 m away and the Champel LémanExpress station 800 m away. The 8-storey building comprises 27 apartments ranging from 2-room to 4.5-room and 3 arcades. The building currently has an average IDC (over the last three years) of 490 MJ/m<sup>2</sup>, and is heated by an oil-fired boiler. In line with its renovation strategy, the asset manager has obtained planning permission in early 2024 to carry out a complete renovation of the building at a cost of CHF 1.1 million. The work will include replacing the boiler with two heat pumps, replacing the windows, insulating the facade and installing solar panels. This renovation will enable the building to obtain Minergie certification and the HPE label. At 30.09.2023, the building had a market value of CHF 16.96 million, a cost price of CHF 16.27 million and a rental income of CHF 0.57 million. The building's rental reserve is estimated at around 25%.
