

MEMORANDUM

DATE: June 10, 2022

TO: Docket Id: EPA-HQ-OAR-2020-0408

FROM: Gregory Honda, U.S. EPA
OAQPS/SPPD/ESG (D243-01)
U.S. Environmental Protection Agency
Research Triangle Park, NC 27711

SUBJECT: Minutes of the meeting with the Electric Power Research Institute

SUMMARY

A meeting between the U.S. Environmental Protection Agency (EPA) and representatives from the Electric Power Research Institute (EPRI) and AECOM was held by teleconference on June 10, 2022 2:00 PM-2:50 PM. The purpose of the meeting was to discuss the Stationary Combustion Turbine national emission standards for hazardous air pollutants (NESHAP) source category delisting petition and the supporting risk assessments provided by the petitioners.
