

## **MEMORANDUM**

DATE:

TO: Docket Id: EPA-HQ-OAR-2020-0408

FROM: Gregory Honda, U.S. EPA  
OAQPS/SPPD/ESG (D243-01)  
U.S. Environmental Protection Agency  
Research Triangle Park, NC 27711

SUBJECT: Minutes of the meeting with the Electric Power Research Institute

---

## **SUMMARY**

A meeting between the U.S. Environmental Protection Agency (EPA) and representatives from the Electric Power Research Institute (EPRI), AECOM, and the source category delisting petitioners (the Petitioners) was held by teleconference on April 8, 2020 3:00 PM-3:30 PM. The purpose of the meeting was to discuss the Stationary Combustion Turbine national emission standards for hazardous air pollutants (NESHAP) source category delisting petition and the supporting risk assessments provided by the petitioners.
