Subject: E.O. 12866 Meeting 2060-AV52 - Review of the National Ambient Air Quality Standards for Particulate Matter

When: Wednesday, October 19, 2022 4:00 PM-4:30 PM (UTC-05:00) Eastern Time (US & Canada).

Where: <https://pitc.zoomgov.com/j/1614209021?pwd=NktRNnpBNm5CWi9QWDQwODFIVThhZz09>

Due to the ongoing pandemic, all E.O. 12866 meetings will be held via teleconference until further notice.

You are receiving this email due to a request from **AF&PA and AWC**, a non-government stakeholder. This meeting request is associated with **Review of the National Ambient Air Quality Standards for Particulate/2060-AV52/EPA** which is currently under EO 12866 review.

For EOP attendees, these meetings are optional, and can be a good way to hear stakeholder concerns. Due to the deliberative and pre-decisional nature of EO 12866 review, these meetings are listening sessions for the regulating agency, OMB, and various EOP offices. External parties do not see documents or communications under EO 12866 review, and even the timing of reviews is considered deliberative.

For your additional awareness, sometimes a single stakeholder may request a meeting on behalf of a larger group... Finally, under E.O. 12866, all meeting participants, (including agency, EOP attendees, and all requesters) and any materials they provide are a matter of public record and will be posted on www.reginfo.gov. Please let us know if you have any questions.

Additional information about the request is below. Please contact **Sofie Miller** if you have further questions.
