# OSHA Respirator Medical Evaluation Questionnaire

3M facilitates a convenient method for employers to obtain medical evaluation of respirator wearers as required by the OSHA Respiratory Protection Standard, 29 CFR 1910.134 with an OSHA respirator medical evaluation questionnaire.

## Online Evaluations Offer You:

### Convenience

Evaluation can be used with all brands and types of respirators.

### Speed and Productivity

Most employees do not need to leave the work site employees and employers receive immediate notification of the results. Clearance letters will be electronically mailed or faxed to the employer.

### Consistency and Quality

All employees are evaluated using the same expanded OSHA Respirator Medical Questionnaire. 3M provides recordkeeping of employee clearance status and board-certified, occupational medicine physicians complete the reviews and, where needed, make recommendations for further medical testing.
