Hi Steph,

I hope this email finds you doing well.

Attached please find the workbook we discussed on 10/31/23 (also discussed in a question/response on page 11 of the RIA). The workbook includes a summary worksheet and worksheets for 8/35 and 9/35. The worksheets/tables for 8/35 and 9/35 present information by county, including tons identified by different ranges of costs (i.e., <\$10K, \$10-50K, \$50-100K, \$100-160K).

I am also about to upload the RIA with responses to questions/comments to max.gov. Please confirm when you have downloaded the RIA.

Lastly, Nicole mentioned they'll be sending the rest of the passback shortly.

Thank you again,  
Robin
