NOTICE

Update to Court Operations – October 15, 2021

Subject to adjustment as conditions and the latest public health guidance may warrant, the court will resume holding in-person oral arguments on December 1, 2021. All oral arguments prior to that date will proceed remotely by video conference using Zoom for Government.

An audio feed from oral arguments will be live-streamed to the public at no cost on the Court's YouTube channel, except when sealed material is being discussed.

Protocols for in-person oral arguments are forthcoming and will be posted to the court's website.
