

Mayor's Message

Hello Laguna Niguel!

With an abundance of April showers, our community truly is in full bloom. This April bloom not only brings us beautiful flowers, but also an opportunity to flourish through fun and memorable special events that cultivate a strong sense of community. This month, I am particularly excited to invite you to attend two special events that promise to enrich and engage our community.

Firstly, I am proud to announce that the City is hosting a 'Demonstration Garden Ribbon Cutting Ceremony & Arbor Day Celebration' on Tuesday, April 30th, at the Sea Country Senior & Community Center, from 12:30 pm to 1:00 pm. This celebration marks the official opening of the City's newly completed water-wise demonstration garden. The Laguna Niguel Demonstration Garden is more than just the average garden; it's a living showcase of sustainability and beauty. It aims to inspire the replacement of traditional grass turf lawns with a water-saving garden that incorporates native plants that attract natural pollinators like bees and butterflies. Join us in celebrating this educational garden space!

Later that same day, Mayor Pro Tem Stephanie Oddo and I invite you to a 'Social Media Townhall Meeting' that's taking place at Laguna Niguel City Hall in the Community Room, at 6:00 pm. In an era where digital platforms significantly influence our lives, it's crucial to engage in informed discussions about social media, its impacts, and strategies for safe use. This event is intended for an audience of pre-teens, teens, and parents, to come together to hear from expert panelists and engage in meaningful dialogue about navigating the complex world of social media. This Town Hall will be a unique opportunity to gain insights, ask questions, and understand the role that social media plays in the lives of our youth.

Both of these events reflect our dedication to creating a Laguna Niguel that is not only beautiful and harmonious, but also well-informed and safe for all its residents. I look forward to sharing these experiences with you and your loved ones! Let's embrace these opportunities to learn, celebrate, and grow together.

Warm regards,

Kelly Jennings
