

Group Exercise Schedule

Effective 3/1/2024

Group Exercise:

The Centennial Recreation Center together with the YMCA offers an extensive variety of group exercise classes. We strive to accommodate a broad range of fitness levels in every class, and we encourage you to work at your own pace. Group exercise should be a fun experience for you and the whole family. Before starting any new exercise program, please consult with your physician.

Our sub list will be posted every Friday by 5pm for the following Saturday – Friday

**To stay up to date on any class changes/cancellations, follow us on Facebook & Instagram .*

50+ Boot Camp: A full body workout that allows you to challenge yourself as much as you want. This class is designed to provide modifications for all exercises.

50+ Chair Yoga: Yoga poses and breathing exercises done with props, including a chair for seated options, at a pace geared toward active older adults.

50+ Functional Fitness: A class that provides a supportive & safe environment to help increase one's strength, flexibility & balance, using chairs, lightweight dumbbells, resistance bands & stability balls. This class is taught by a fitness specialist with an expertise in working with active older adults.

50+ Yoga & Aging: A yoga practice for relatively physically active seniors; each class will focus on poses and sequences that support maintaining health. Key areas include strength, flexibility, balance, and agility.

50+ Zumba Gold: This specialty class follows the Zumba® formula & is designed for the active adult who wants to join the fitness party but requires lower impact & less intense workout. This class is perfect for those looking to begin a healthy fitness lifestyle or for those relaunching their fitness program.

Body Pump: Challenge all your major muscle groups by using the best weight room exercises like squats, presses, lifts & curls. Great music, awesome instructors & your choice of weight will inspire you to get the results you came for - & fast!

Body Combat: This is a high-energy martial art inspired workout that is totally non-contact and there are no complex moves to master! You'll punch and kick your way through a whole-body workout, getting fit, fast, and strong!

Body Balance: Ideal for anyone and everyone, this is a yoga-based class that embraces elements of Tai Chi and Pilates. You'll strengthen your entire body and leave the class feeling calm, centered, and happy.

Boot Camp: A full body workout that allows you to challenge yourself as much as you want. This class is designed to provide the ultimate in agility & cross training.

Circuit Training: This class is a mix of different modalities (Bootcamp, TRX, Weights, Kickboxing, etc.) created to get your heart rate up & strengthen your body.

CORE: 30 minutes of building core strength, improving functional fitness of the abdominals, mid-section, and glutes, as well as working the cross-slugs, which run from the upper to lower body using resistance bands. Excellent supplement to other class formats.

Cycle Sculpt: Rev up your workout & burn calories faster. This class combines intervals on the spin bike with intervals of strength training.

Cycling: A non-impact class conducted on a stationary bike. This class is appropriate for all levels of fitness.

Gentle Pilates: Gentle and functional mat-based moves combine to improve flexibility, balance, core strength and muscle tone.

GRIT: GRIT™ Is A High-Intensity Interval Training Workout, Designed to Build Lean Muscle

H.I.I.T: High Intensity Interval Training is a form of interval training that will take your workout to the next level & push your physical limits. This is an advanced-level workout.

Intro to Weights: Work all muscle groups with a variety of strengthening and conditioning exercises. This athletic-based sculpting class tones upper and lower body using resistance like hand weights, body bars and your own body weight. All-Levels.

Kickboxing: Kick, punch, jab & power your way through this cardiovascular & muscular endurance workout using gloves & bags. Bring your own gloves.

PiYo: is a low-impact exercise program that combines Pilates and Yoga. It is designed to strengthen and tone muscles, burn calories, and improve flexibility.

Pilates: A mat-based workout that will strengthen & lengthen your muscles, help improve posture, enhance stability, increase core muscle strength & improve flexibility.

Pop Pilates Full-body cardio, strength and flexibility workout using nothing but your own bodyweight and a yoga mat.

Les Mills Dance A fun-loving, insanely addictive dance workout. SH'BAM™ is an ego-free zone – no dance experience required. All you need is a playful attitude and a cheeky smile so forget about being a wallflower.

Step: This class introduces alternating sets of interval training along with a simply choreographed Step workout. Not only do you get the advantage of aerobic exercise, but you'll also get the added benefit of a challenging interval training routine.

Sprint: A 30-minute High Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits.

Tabata: Tabata is a type of HIIT workout that aims to yield the most benefits in a short amount of time. For each exercise, you do eight rounds of 20 seconds of strenuous exercise followed by 10 seconds of rest.

TRX: TRX bodyweight exercise develops strength, balance, flexibility, and core stability simultaneously. It uses the TRX Suspension Trainer, a performance training tool that leverages gravity and the user's body weight to complete 100's of exercises. You will be challenged as the instructor guides you through intense core, strength and & balancing drills.

UJAM: An athletic hip-hop dance fitness workout that combines dance & high energy music for a workout that is bound to get your heart rate up, your body moving & make you work up a sweat — all while having FUN!

Weights: Work all muscle groups with a variety of strengthening and conditioning exercises. This athletic-based sculpting class tones upper and lower body using resistance like hand weights, body bars and your own body weight.

Yoga: To provide you with a yoga class suited to meet your needs & wants, the YOGA classes are identified in 2 categories:

- **Flow/Yoga** - A fitness-based approach to Vinyasa style flow. Students will focus on linking conscious breath with a vigorous & mindful flow. Students will build strength, flexibility & concentration while cleansing the body & calming the mind.
- **Restorative/Gentle** - Low intensity & includes restorative/yin aspects. Relaxation & tension release is the primary focus.

Zumba: This high energy class uses motivating music with unique moves & combinations to give you the best dance workout ever!

Zumba Gold: Slower paced, lower intensity. Perfect for beginners, older adults and those rehabilitating an injury.

Zumba Step: Toning and strength power of Step Aerobics, with the fun fitness party that Zumba brings to the dance floor.
