In re: Trex Wind-down, Inc., et al. 1, f/k/a Timber Pharmaceuticals, Inc.

Case No. 23-11878 (Jointly Administered) Reporting Debtor: Trex Wind-down, Inc.

Reporting Period: March 1, 2024 to March 31, 2024

#### Notes to the Monthly Operating Report

On November 17, 2023 (the "Petition Date"), Trex Wind-down, Inc., ("Timber Inc."), Trex Wind-down, LLC, ("Timber LLC"), and BioPharmX, Inc., ("BioPharmX", and collectively the "Debtors") filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware. The activity contained in this operating report is for the period of March 1, 2024 through March 31, 2024. (the "Reporting Period") and is specific to Debtor Timber Inc.

#### General Notes

The financial information included herein, including supplemental information, is preliminary, unaudited, and may not comply in all respects with generally accepted accounting principles of the United States of America ("U.S. GAAP") or may not be consistent with the business' own internal financial statements. The Monthly Operating Report ("MOR") should not be relied on by any persons for information relating to current or future financial condition, events, or performance of the Debtor as the results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the results of operations, financial position, and schedule of cash receipts and disbursements in the future. There can be no assurance that such information is complete, and the MOR may be subject to revision. There may be various immaterial variances throughout the report attributed to rounding.

#### Basis of Presentation

The Debtor is maintaining its books and records consistent with U.S. GAAP and its own internal reporting practices. The information furnished in this MOR uses the Debtor's normal accrual method of accounting. In preparing the MOR, the Debtor relied on financial data available at the time of preparation. The Debtor made reasonable efforts to supplement the information set forth in its books and records with additional information concerning transactions that may not have been identified therein. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtor does not undertake any obligation or commitment to update this MOR.

The Debtor filed its Statement of Financial Affairs ("SOFA") and Summary of Assets and Liabilities ("SOAL") on December 22, 2023 (Docket No's 144 and 147). The SOAL and SOFA contain financial information that has not been reconciled with the financial information contained in this MOR and vice versa.

Debtors Timber LLC and BioPharmX are wholly owned subsidiaries of debtor Timber Inc. They are disregarded entities for income tax filing purposes. The Debtors do not maintain separate books and records for each entity, since Timber Inc. is the tax filer, and also a public company that files consolidated financial statements in connection with its public filings. Therefore, this MOR includes the financial reporting

for the Debtors on a consolidated basis for the Reporting Period except as noted below.

#### Reporting Period

The financial information included herein has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. GAAP, and upon application of such procedures, audit or otherwise, the Debtor believes that the financial information herein could be subject to changes, certain of which could be material. The financial statements included herein include accrual estimates to the best of the Debtor's ability and the Debtor reserves the right to retroactively adjust prior month's reported MOR financial information.

#### Part 1 – Cash Receipts and Disbursements

The cash receipts and disbursements reported in this section of the MOR are for the bank accounts in the name of Debtor Timber Inc. The cash balance on the balance sheet attached in the supporting schedules of this MOR includes the cash balance in Debtor Timber LLC's bank account. The cash receipts and disbursements for that account have been included in Debtor Timber LLC's MOR for this Reporting Period.

As reflected in the attached supporting schedule of cash receipts and disbursements, the Debtors are funding a professional fee escrow pursuant to the DIP Budget filed with the Final Order for Post Petition Financing (see notes for Part 7 below).
