- Propel has received commitments to raise ~\$50 million via a Placement at an issue price of \$4.10 per share
- In addition to the Placement, Propel announces it will offer existing eligible shareholders the opportunity to participate through a SPP to raise up to a further \$10 million

- Pro forma net leverage ratio will reduce to ~1.1x and pro forma available funding capacity will increase to ~\$150 million

Propel Funeral Partners Limited (ASX: PFP) (**Propel** or **Company**) is pleased to announce that it has successfully completed a circa \$50.2 million institutional placement (**Placement**) of approximately 12.25 million new fully paid ordinary shares (**New Shares**) to new and existing institutional shareholders at an issue price of \$4.10 (**Placement Price**) per New Share.

Albin Kurti, Managing Director of Propel said: "We are delighted by the support received from Propel's existing institutional shareholders and to be welcoming new institutional investors, who will broaden Propel's share register. We are also pleased to offer all eligible shareholders the ability to participate in the share offering via the SPP. We believe this is the right time to further strengthen our balance sheet, as the Company seeks to continue to execute on its acquisition led growth strategy in what is a highly fragmented industry."

The Placement Price represents a 7.2% discount to the last closing price¹ of Propel shares and a 5.4% discount to the 5 day VWAP^{1,2}.

Settlement of the Placement is expected to occur on Friday, 22 October 2021. The New Shares to be issued under the Placement are expected to be allotted and commence trading on the ASX on Monday, 25 October 2021. The New Shares to be issued under the Placement will rank equally with existing fully paid ordinary shares of Propel and will be issued within the Company's placement capacity under ASX Listing Rule 7.1.

Share Purchase Plan (SPP)

In addition to the Placement, Propel will offer all eligible existing shareholders with a registered address in Australia or New Zealand on Propel's share register at 7:00pm (Sydney time) on Monday, 18 October 2021 the opportunity to apply for new Propel shares through the SPP without incurring brokerage fees. Participation in the SPP by eligible shareholders is optional. The price to be paid by eligible shareholders for New Shares under the SPP will be the lowest of:

- the Placement Price;
- a 2.0% discount (rounded down to the nearest cent) to the 5-day VWAP of Propel shares up to, and including, the closing date of the SPP (expected to be Wednesday, 17 November 2021); and
- a 2.0% discount to the closing price of Propel shares on the closing date of the SPP.

Propel intends to raise up to \$10 million via the SPP. The Company reserves the right to increase the size of the SPP or, if necessary, scale back applications under the SPP, at its sole discretion.

Eligible shareholders will be entitled to subscribe for up to \$30,000 worth of New Shares through the SPP. It is expected that the SPP offer period will open on Wednesday, 27 October 2021 and will close at 5:00pm (Sydney time) on Wednesday, 17 November 2021. New Shares issued under the SPP will rank equally with Propel's existing fully paid ordinary shares. Shareholder approval is not required for the issue of the New Shares under the SPP.

Each director of the Company, including executive directors Albin Kurti and Fraser Henderson, and Propel's CFO, Lilli Gladstone, have confirmed their intention (either directly and/or through their associated entities) to participate in the SPP.

The SPP is not underwritten. Further information in relation to the SPP, including the SPP terms and conditions, is expected to be made available to eligible shareholders on Wednesday, 27 October 2021.
