

Faraday Future to Host Community Day on November 3rd and Job Fair for Its Manufacturing Facility on November 10th at the Hanford Civic Auditorium

October 27, 2021

- FF to share glimpse into EV manufacturing plant with Hanford community

LOS ANGELES--(BUSINESS WIRE)--Oct. 26, 2021-- Faraday Future Intelligent Electric Inc. ("FF") (NASDAQ: FFIE), a California-based global shared intelligent electric mobility ecosystem company, today announced its upcoming Community Day and Job Fair at the Hanford Civic Auditorium on November 3 and November 10, respectively. Participants of Community Day will get an introduction to the brand, a first-hand look at the flagship, ultimate intelligent techluxury FF 91 and hear from FF executives discussing production in Hanford, Calif., along with employment opportunities and more.

"Faraday Future is committed to the expansion of our innovative workforce by discovering local talent, from engineers to assembly line workers," said Matt Tall, Vice President of Manufacturing. "As we ramp-up to complete our product facility in the coming months, hosting a Community Day and Job Fair are ways for FF to showcase the future of transportation, our unique culture and more. One of our FF 91 vehicles will be on display, and we are excited to share its many forward-thinking features."

FF Community Day will be hosted at the Hanford Civic Auditorium on November 3, located at 400 N. Douty St., Hanford, Calif. 93230. The event will run from 6 - 7:30 p.m. PT. While not required, interested candidates can join the list to receive more information here: <https://www.ff.com/us/events/HR-Questionnaire/>.

Following Community Day, FF will host a Job Fair at the Hanford Civic Auditorium from 4:30 - 7:30 p.m. PT on November 10. The Job Fair will showcase opportunities available with FF, and how individuals can apply to join the team.

Users can reserve an FF 91 Futurist model now via the FF intelligent APP or [FF.com](https://www.ff.com) at: <https://www.ff.com/us/reserve>.

ABOUT FARADAY FUTURE

Established in May 2014, FF is a global shared intelligent electric mobility ecosystem company, headquartered in Los Angeles, California. Since its inception, FF has implemented numerous innovations relating to its products, technology, business model, profit model, user ecosystem, and governance structure. On July 22, 2021, FF was listed on NASDAQ with the new company name "Faraday Future Intelligent Electric Inc.", and the ticker symbols "FFIE" for its Class A common stock and "FFIEW" for its warrants. FF aims to perpetually improve the way people move by creating a forward-thinking mobility ecosystem that integrates clean energy, AI, the Internet and new usership models. With the ultimate intelligent techluxury brand positioning, FF's first flagship product FF 91 Futurist is equipped with unbeatable product power. It is not just a high-performance EV, an all-ability car, and an ultimate robotic vehicle, but also the third internet living space.

NO OFFER OR SOLICITATION

This communication shall neither constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

FORWARD LOOKING STATEMENTS

This press release includes "forward looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release, the words "estimates," "projected," "expects," "anticipates," "forecasts," "plans," "intends," "believes," "seeks," "may," "will," "should," "future," "propose" and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside FF's control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include FF's ability to execute on its plans to develop and market its vehicles and the timing of these development programs; FF's estimates of the size of the markets for its vehicles and costs to bring its

vehicles to market; the rate and degree of market acceptance of FF's vehicles; the success of other competing manufacturers; the performance and security of FF's vehicles; potential litigation involving FF; the result of future financing efforts and general economic and market conditions impacting demand for FF's products. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of the preliminary registration statement on Form S-1 recently filed by FF and other documents filed by FF from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and FF does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
