REQUEST FOR VOLUNTARY SUSPENSION

The Board of a2a GN Limited (**a2a** or the **Company**) advises that it has requested the Company's Nominated Advisor request an immediate voluntary suspension of its securities in accordance with NSX Listing Rule 2.20.

The Company advises that due to the continuing and worsening COVID-19 situation in Malaysia where the Company operates its business, access to the requisite capital from existing sources that was expected to be forthcoming now appears unlikely. The Board is seeking urgent advice in respect of alternate fundraising arrangements and possible restructuring options.

As this occurrence is of a material nature, the Company has requested the Nominated Advisor make an immediate request for voluntary suspension of trading in the Company's securities, with further details to be released by the Company on the NSX platform once the advice has been received and the Board resolves to enact an appropriate, considered action plan.

The release of this Letter to NSX by the Nominated Advisor has been authorised by the Board.
