FOS Wins \$1.1M VEKTA Customised Lighting Orders

FOS Capital Ltd (ASX:FOS) is pleased to announce it has received orders valued at over \$1.1 million to supply its VEKTA linear lighting products and associated items.

VEKTA is a fully customised product line to meet architectural intent. It is a diverse family of linear lights encompassing 22 different profiles designed and built for purpose. VEKTA ranges from micro profiles, large pendants and recessed fittings. They are customised to best suit the architectural vision including finishes, optics, colour temperature, mounting and power outputs.

FOS introduced VEKTA to its Brisbane factory in late 2019 following the acquisition of Frend Lighting. VEKTA has become our leading product range having grown 70% over the last 12 months and further validates our ongoing commitment to manufacturing in Australia.
