About Sky Technologies

As electricity is a standard in every home and building, our mission is to make homes and buildings become safe-advanced and smart as the standard.

Sky Technologies (NASDAQ: SKYX) has a series of highly disruptive advanced-safe-smart platform technologies, with over 60 U.S. and global patents and patent pending applications. Our technologies place an emphasis on high quality and ease of use, while significantly enhancing both safety and lifestyle in homes and buildings. We believe that our products are a necessity in every room in both homes and other buildings in the U.S. and globally. For more information, please visit our website at <https://skyplug.com>.

Cautionary Statement Concerning Forward-Looking Statements

Certain statements contained in this press release constitute forward-looking statements. Management has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While they believe these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond management's control. These statements involve risks and uncertainties that may cause the Company's actual results, performance or

achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and, except as required by law, the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
