Life Electric Vehicles Holdings, Inc. (LFEV)

Unaudited Notes to Financial Statements

1. Organization and Basis of Presentation

Second Street Capital, Inc. (the “Company”) was originally formed in 1981 as Calton, Inc. (a homebuilder corporation). In November 2011, Calton, Inc. effectuated a 1-for-10 reverse split of its common stock, divested its existing subsidiaries, raised \$600,000 in a private placement, and changed its name to Second Street Capital, Inc. The Company also hired new management and operated as a specialty finance company. In August 2012, holders of a majority of the Company's outstanding shares of common stock approved and authorized a plan of quasi-reorganization of the Company. As a result, the Company recorded its assets at their fair values and eliminated its accumulated deficit against additional paid-in capital. The effective date of this transaction was November 30, 2011. After the 2013 fiscal year end, the Company paid its obligations and sold its assets with any differences carried to the accumulated deficit.

Effective February 9, 2022, the Company completed a reincorporation from New Jersey to Nevada. The reincorporation was accomplished by the merger of Second Street Capital, Inc., a New Jersey corporation, with and into its wholly owned subsidiary, Life Electric Vehicles Holdings, Inc., a Nevada corporation. As a result of the reincorporation, the Company's name was changed to Life Electric Vehicles Holdings, Inc. and each outstanding share of the common stock of Second Street Capital, Inc. was converted into one share of common stock of Life Electric Vehicles Holdings, Inc.

From the end of 2013 until September 2nd, 2022, the Company was dormant with no operating activities. In June 2022, the Company formed Sierra eLife, Inc. as a wholly owned subsidiary to operate as a wholesaler of consumer goods with a focus on e-mobility and electric bicycles. Through Sierra e-Life, Inc., the Company began revenue generating activities in September 2022.

2. Summary of Significant Accounting Policies

This summary of accounting policies of the Company is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Uses of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that Actual results differ from those estimates. Estimates most susceptible to change in the near-term affect certain reported amounts and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Estimates most susceptible to change in the near-term are the Company's estimates of their allowance or credit losses and impairment of loans.
