The company merged with ParagonX Holdings, LLC and revised the Articles of Incorporation changing the name to ParagonX Holdings, Inc. The company is working diligently to up-list and is considering a number of proposals it has received that would provide much-needed capital to the business. The Company entered into an agreement with Daniel Ruhl acquiring 100% of the membership interests of Ruhl Construction, LLC, Precision Project Management, LLC, and Asher Homes, LLC in a transaction with an effective date of July 1, 2023 for preferred stock, a promissory note, specific resignations from officers, and the divestiture of several entities. To fulfill the required company obligations the company agreed to divest Sinacori Builders, LLC, and several other less material subsidiaries. The Company entered into a divestiture agreement wherein Russ Sinacori purchased these businesses back for preferred stock and additional terms pursuant to the divestiture agreement executed between the parties. The Company earlier in the year divested Growing Together Academy as part of a separation agreement it reached with Bob Silver, the former Chairman of the Company. The acquisitions and divestiture decisions made by the Board of Directors were based on warranteies and representations that the Ruhl Construction was producing revenues of over \$50M per annum, and over \$4.5 million in EBITDA. ParagonX filed a lawsuit in Tulsa County against Daniel Ruhl and the Ruhl companies. Under a confidential settlement agreement, the parties unwound the acquisition and all shares issued to Ruhl Construction were returned to Treasury. All revenue and assets and liabilities were removed from the financials accordingly. . Daniel Ruhl, through his counsel, requested to unwind the transaction. The Board of Directors, in the interest of all the shareholders, voted on and agreed to the settlement terms and the 4.75 million Preferred B shares were all returned to the company treasury including the super-voting rights.

(i) The consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

The Company repurchased 250,000,000 shares of stock from former executive Robert Silver. These shares were retired in July 2023.

Russ Sinacori and the Sinacori Family Trust returned all Preferred Shares in the company.

On 02/02/24 1,710,000 Preferred B shares were issued to Kevin V Cox as Mr. Cox exercised the options he was granted by the company. These were assigned to the KVC Dominion Limited Liability Limited Partnership. On 02/24/24 1,600,000 Preferred B Shares were issued to Caprino Management in exchange for the common shares they acquired and for continuing to work in lieu of compensation in the transformation and transition of the company.

With the shares from Sinacori and Ruhl returned to Treasury, the Board of Directors gave full voting control to these entities, resulting in a change of control.

#### **Basis of Presentation**

Under accounting principles generally accepted in the United States of America ("US GAAP"), the Sinacori acquisition was treated as a "reverse acquisition" under the purchase method of accounting. The consolidated statements of operations herein reflect the historical results of Sinacori prior to the completion of the reverse acquisition since it was determined to be the accounting acquirer and do not include the historical results of PGXH prior to the completion of the acquisition. PGXH's assets and liabilities were consolidated with the assets and liabilities of PGXH as of February 12, 2020, the consummation of the acquisition, and are included in the consolidated balance sheets. The number of shares issued and outstanding and additional paid-in-capital of PGXH have been retroactively adjusted to reflect the equivalent number of shares issued by PGXH in the Purchase and Sale Agreement. All costs attributable to the reverse acquisition were expensed as incurred.

IN JULY 2023, THE COMPANY ACQUIRED RUHL CONSTRUCTION, LLC, ASHER HOMES, LLC, AND PRECISION PROJECT MANAGEMENT, LLC. THE COMPANY ALSO DIVESTED SEVERAL ENTITIES, INCLUDING SINACORI BUILDERS, LLC. THE FINANCIAL STATEMENTS ARE UNAUDITED AND RELY ON ESTIMATES FROM THE UNIT PURCHASE AGREEMENTS PROVIDED BY RUHL CONSTRUCTION, LLC, ASHER HOMES, LLC, AND PRECISION PROJECT MANAGEMENT, LLC. WHILE EFFORTS WERE BEING MADE TO PROVIDE ACCURATE FINANCIALS, THE COMPANY IS HEREBY DISCLOSING THAT THESE FINANCIAL STATEMENTS SHOULD NOT BE RELIED UPON TO MAKE INVESTMENT DECISIONS.

THE COMPANY THEN UNWOUND THAT TRANSACTION BASED UPON THE SETTLEMENT IT REACHED WITH DANIEL RUHL AND THE RUHL COMPANIES. THEREFORE, THE FINANCIAL RECORDS OF THE COMPANY IN 2023 ARE STILL IN NEED OF A MAJOR REVIEW AND SHOULD NOT BE RELIED UPON IN ANY MANNER TO MAKE AN INVESTMENT DECISION IN THE COMPANY. THE COMPANY IS AN UNREPORTING PINK SHEET COMPANY WITH INFORMATION DISCLOSURE AS THE LEGAL STANDARD IT FOLLOWS. AGAIN, WITH THE COMPLEXITY OF THE ACCOUNTING TRANSACTIONS IN 2023, THE ABSENCE OF A CHIEF FINANCIAL OFFICER, AND AN INVESTIGATION STILL UNDER WAY RELATED TO THE CONDUCT OF THE COMPANIES PREVIOUS OFFICERS, THESE FINANCIAL STATEMENTS MAY BE SUBJECT TO SUBSTANTIAL REVISION UPON FINANCIAL REVIEW OR AN AUDIT.

#### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The accompanying consolidated financial statements have been prepared in accordance with the United States generally accepted accounting principles ("US GAAP as set forth in the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") and applicable regulations of the Securities and Exchange Commission ("SEC").

# **Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of PGXH, and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

#### Reclassifications

Certain prior period amounts have been reclassified to conform to the current year presentation. These reclassifications had no effect on previously reported net loss or accumulated deficit.

#### **Use of Estimates**

The preparation of the consolidated financial statements in conformity with US GAAP requires management of the Company to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes, including the reported amounts of assets and liabilities and disclosure of contingent assets

and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting periods.

Actual results could materially differ from those estimates. Reference to Annual Filing These statements should be read in conjunction with the annual financial statements and related notes included in the 2022 Annual Report filed on March 31, 2023 with the OTC Markets.

#### **NOTE 3 GOING CONCERN**

The accompanying consolidated financial statements have been prepared assuming the Company will continue as a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business for the twelve months following the date of these consolidated financial statements. The Company has incurred significant operating losses since its inception.

The Company expects to generate operating cash flows that will be sufficient to fund presently anticipated operations although there can be no assurances. This raises substantial doubt about the Company's ability to continue as a going concern. Therefore, the Company will need to raise additional funds and is currently exploring alternative sources of financing to supplement expected cash flows. Historically, the Company has raised capital through private placements, as an interim measure to finance working capital needs and may continue to raise additional capital through the sale of common stock or other securities and obtaining short-term loans. The Company will be required to continue to do so until its operations become sufficiently profitable and generate operational cash flows to sustain itself and service the Company's liabilities as they become due. The Company may attempt to raise capital in the near future through the sale of equity or debt financing; however, there can be no assurances the Company will be successful in doing so. There can also be no assurances that such additional debt or equity financings will be available to the Company on acceptable terms or at all.
