RE: *Legal Opinion concerning Adequate Current Information of  
Continental Beverage Brands Corporation (Symbol – CBBB)*

Ladies/Gentlemen:

You are entitled to rely on this letter in determining whether Continental Beverage Brands Corporation (the “Issuer”) has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

I am a resident of the United States and have been retained by the Issuer for the purpose of rendering this letter and related matters. This firm’s relationship with the Issuer includes, over and above writing this letter, serving as special securities counsel for the Issuer, which duties include preparing or reviewing disclosure information and press releases, interfacing with the chief financial officer and independent accountants, and giving general legal advice to management. The firm does not own any shares of the Issuer’s securities and has no plans, agreements nor intention of receiving any such shares in the future, in payment for services.

I have examined such corporate records and other documents and such questions of law as I have considered necessary or appropriate for purposes of writing this letter. In all such examinations, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer, and other sources, and represent that all such sources are believed to be reliable.

This letter relates to the laws of the United States, specifically Federal securities law. I have been a member in good standing of the bar of the State of California since 1980, and am permitted to practice before the Securities and Exchange Commission (the “SEC”) and I have not been prohibited from practice thereunder. I have not ever been suspended or barred from practicing in any state or jurisdiction, and I have not been charged in a civil or criminal case. Further, I have not in the past 5 years been the subject of an investigation, hearing or proceeding by the SEC, the US Commodity Futures Trading Commission, FINRA or any other federal, state or foreign regulatory agency. I have never been suspended or barred from practicing in any state or jurisdiction, and I have not been charged in a civil or criminal case.

I have personally met and/or conferenced with Andrew Gaudet, the COO, Gurmeet Kaur (CEO CFO and Chairman, Navneet Tayal (director) and Sameer Kudsia (director) constituting a majority of the directors, and all of the officers, of the Issuer. To the best of my knowledge, after inquiry of management and the directors of the Issuer, neither, counsel nor any officer, director or 5% holder of the securities of the Issuer is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

No person other than the OTC Markets Group is entitled to rely on this letter. However, I hereby grant the OTC Markets Group full and complete permission and rights to publish the letter through the OTC Disclosure and New Service for viewing by the public and regulators.

I have compiled a list below, as of about December 31, 2023, of the names of each executive officer, director, other control persons of the Issuer, consultant or any other advisor of the Issuer who assisted, prepared or provided information with respect to the Issuer's disclosure or who received securities as consideration for services rendered to the Issuer and the following information related to each: (i) their full name, (ii) their business address, (iii) the number and class of the Issuer's securities beneficially owned by each of them (iv) with respect to each of the securities described in the preceding clause whether or not the certificate or other document that evidences the securities contains a legend stating that the securities have not been registered under the Securities Act and setting forth the referring to restrictions on transferability and sale of the securities and (v) a complete description of the consideration received by the Issuer in connection with each issuance of shares to any of them including, without limitation, the nature of any services performed for or on behalf of the Issuer. For purpose of this letter, the term "control person" includes (i) any person controlling, under common control with, or controlled by, the Issuer or (ii) any person who obtained securities of the Issuer in connection with a negotiation with the Issuer within the three-year period prior to the date of the opinion. With respect to any of the Issuer's control persons that is an entity and any parent entity of any control person, this letter provides the information described in the first sentence of this paragraph for each control person of such entity or parent entity.

I have made specific inquiry of each of the persons listed in the above (management), persons engaged in promotional activities regarding the Issuer, and persons owning more than five percent (5%) of the Securities (all identified as “Insiders”), and based upon such inquiries and other information available to counsel, any sales of the Securities by Insiders within the twelve-month period prior to the opinion have been made in compliance with Rule 144, including, without limitation, any required filings of Form 144, and nothing has come to the attention of counsel indicating that any of the Insiders is in possession of any material non-public information regarding the Issuer or the Securities that would prohibit any of them from buying or selling the Securities under Rules 10b-5 or 10b5-1 under the Exchange Act. This Issuer was a “shell” as defined in Rule 405 of the Securities Act and 12b-2 of the Exchange Act of 1934 as of the date of the Annual Report, December 31, 2022. On March 27, 2023, a Supplemental Report indicating a change of shell status, i.e., ‘no longer a shell’, was filed with OTC Markets Group, and therefore, for purposes of filings with OTC Markets, the company would longer be considered a “shell company” as that term is defined in Rule 405 of the Securities Act of 1933, and 12b-2 of the Exchange Act of 1934, as amended. However, the company was defined as a shell prior to that filing, and that definition will continue to be applied by the SEC for purposes of exemptive statutes such as Rule 144 unless further filings have been made, as cited in Rule 144(i)2 and (i)3.

I trust this information complies with your request. If you need additional information please contact me.

Very truly yours,

**DIETERICH & ASSOCIATES**
