In connection with Counsel's investigation of the Company, Counsel has met, via e-mail and telephone, with Ellaire Petty, the Sole Director and Interim CEO of the Company, and discussed the information contained in the Company's Disclosure Information. A review of the Company's public filings was the method used to confirm the number of outstanding shares.

Regulatory Actions. Upon further inquiry of management and the Board of Directors of the Company, to the best of Counsel's knowledge, neither the Company nor any person or entity holding at least five percent (5%) of the Company's capital stock is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities law.
