

Istanbul, October 5, 2022

**Announcement Regarding S&P Global Ratings' Credit Rating**

International credit rating agency S&P Global Ratings has revised our Company's credit rating as "B", which was previously "B+", in accordance with its internal practice to reflect its downgrade of Turkey's sovereign rating announced on September 30, 2022. The outlook of the rating has been revised to "Stable" from "Negative".
