EXTERNAL COMMUNICATION

OTC B3 Participants

Re.: **Mock Trading Session – New Version of Trademate**

B3 hereby informs you that on **March 9, 2024** (Saturday) there will be a **mock trading session in a production environment** of the new version of Trademate. We recommend the participation of participants that trade CBIO and of STN Dealers.

Participation in the mock trading session must be confirmed by **12:00 noon of March 8, 2024** (Friday) **exclusively** via email at tradingsupport@b3.com.br, with "Mock trading session" in the subject line, and containing the institution's ID, the list of individuals' names and the respective phone numbers, as well as contact e-mail addresses.

Participants in the mock trading session must comply with the test script and adjust their internal systems so that the results of the mock trading session are duly segregated from the real trading sessions.

The mock trading session's hours

11:05 a.m.	11:55 a.m.	Trading – mandatory script
11:55 a.m.	12:30 p.m.	Free trading

As of **10:00 p.m.** on **March 8, 2024**, participants will be able to obtain a new version, which will be used for the mock test on March 9, 2024 and taken to the

006/2024-VNC

production environment with implementation scheduled for **March 11, 2024**. In addition to CBIO trading at Trademate, the updated version will have:

- trade ranking
- improvements to the dealer report
- automatic cancellation of Voices

As of February 26, 2024, and in accordance with External Communication 003/2024-VNC, FIX messaging will be available from Voice to Trademate.

We will announce the implementation date in a production environment in due course. Certification is mandatory and must be scheduled in advance.
