2024 "Biotechnology and Medical Care Industry" Investor Conferences Concluded with Positive Feedback

Taiwan Stock Exchange Corporation (TWSE) and SinoPac Securities Corp.co-hosted "Biotechnology and Medical Care Industry " Investor Conferences from April 8 to April 12, 2024. During this week, Ms.Pei-Fen You, expert from IEK, delivered a keynote speech about Pharmaceutical Industry Trends in 2024, and a total of 11 listed companies presented their financial performances and prospects.

Investors interested in these conferences are welcome to watch VOD on the WebPro website (<https://webpro.twse.com.tw/WebPortal/vod/101/?categoryId=101>).

TWSE will continue to launch related events to make the information of companies more transparent to investors.
