Domestic Listing Department

All domestic and primary listed companies (including TIB listed companies), with the exception of Ting Sin and LEAD DATA, have filed 2023 financial statements

According to TWSE, a total of 881 domestic and primary listed companies (including TIB listed companies, but excluding 125 listed companies with paid-in capital of over NT\$10 billion or financial and insurance companies, for whom the deadline is March 15, 2024) are required to file 2023 financial statements by April 1, 2024. All companies have completed the filing procedure, with the exception of Ting Sin CO., LTD. (code: 2358) and LEAD DATA INC. (code: 2443), which are unable to file on time.

TWSE would like to remind investors to read financial statements and related information published by listed companies before investing. Investors can find the financial statements under the "Electronic Books" section on the Market Observation Post System. Information can also be found under the "Financial Information" of the "Summaries" section.
