The TWSE imposes a penalty of NT\$30,000 on RiTdisplay Corporation for violating material information requirements

RiTdisplay Corporation (code:8104) is found to be in one of the circumstances provided in Article 4, Paragraph 1, Subparagraphs 20 of the TWSE Procedures for the Verification and Disclosure of Material Information of Companies with Listed Securities. Nevertheless, such company delayed in inputting it to the MOPS material information webpage, which was in violation against the aforementioned TWSE Procedures. Thus, the TWSE has imposed a breach penalty of NT\$30,000 and sent a letter requiring the company comply with the rules in the future.
