ANNOUNCEMENT

***Annual Financial Report for the financial year 2022
using the European Single Electronic Format (ESEF)***

Following the Hellenic Capital Markets Commission and Athens Exchange joint announcement on 03.12.2021: «*Obligation to submit the annual financial reports for the financial year 2021 using the European Single Electronic Format (ESEF)*» and relevant clarifications provided by ESMA and the European Commission, it should be noted that:

The obligation to mark up the **notes to the consolidated financial statements** under International Financial Reporting Standards using “**XBRL block tags**” is applicable to annual reports of issuers whose securities are admitted to trading on a regulated market in the European Union for financial years beginning on or after **01.01. 2022**, given that the optional postponement by one year of the implementation of ESEF does not relate to the individual timelines defined in the ESEF Regulation (Regulation (EU) 2019/815).
