Dear Shareholder

Annual General Meeting 2024

I am writing to invite you to our 2024 Annual General Meeting, which is to be held at our Head Office at 1 West Regent Street, Glasgow, on Thursday 25 April 2024 at 2.30 pm.

The Notice for this year's Annual General Meeting is contained on pages 5 to 6 of this document. The purpose of this letter is to provide some background to the business to be transacted at the Annual General Meeting. Resolutions 1 to 15 inclusive are proposed as ordinary resolutions, while resolutions 16 to 19 inclusive are proposed as special resolutions.

Your Directors strongly encourage Shareholders to vote on the resolutions proposed at the Annual General Meeting. Shareholders who would like to vote on the resolutions but cannot come to the Annual General Meeting can appoint a proxy to exercise all or any of their rights to attend, vote and speak at the Annual General Meeting by using one of the methods set out in the notes on pages 7 to 9 of this document.

Shareholders who are not intending to attend on the day but would like to ask a question can submit questions in advance to weirAGM@mail.weir or send by post to the Company's Head Office. If Shareholders require a response to a question prior to the proxy voting deadline, please ensure that the question is received by the Company by 6.00 pm on 15 April 2024, in which case the Company will endeavour to respond directly to the Shareholder by 22 April 2024. Please ensure that you include your name and Shareholder Reference Number (SRN) and, if your question is by post, the address to which a response should be sent.

As announced on 29 February 2024 and subject to Shareholder approval, a final dividend of 20.8 pence per ordinary share will be paid on 31 May 2024 to all Shareholders who are on the register of members of the Company on 19 April 2024.

If there are any changes to the arrangements for the Annual General Meeting described in this document, updates will be provided on our website: <https://www.global.weir>.

The 2023 Annual Report (Resolution 1)

Shareholders are being asked to receive the Annual Report and Financial Statements for the year ended 31 December 2023 (the '2023 Annual Report').

Remuneration Report (Resolution 2)

Shareholders are invited to approve the Directors' Remuneration Report which is contained in the 2023 Annual Report on pages 109 to 132. The report gives details of the Directors' remuneration for the year ended 31 December 2023. In line with relevant legislation, this vote will be advisory and does not affect the future remuneration paid to any Director.

At the 2022 Annual General Meeting, the Directors' Remuneration Policy was approved by Shareholders. The Directors' Remuneration Policy is not therefore required to be approved at this year's Annual General Meeting. The policy will be put to Shareholders again no later than the Annual General Meeting in 2025.

Final dividend (Resolution 3)

Subject to Shareholder approval, a final dividend of 20.8 pence per ordinary share will be paid on 31 May 2024 to all Shareholders who are on the register of members of the Company on 19 April 2024.

Election and re-election of Directors (Resolutions 4 to 12)

In accordance with the UK Corporate Governance Code 2018, all Directors are offering themselves for election or re-election (as applicable) at the Annual General Meeting, as outlined in resolutions 4 to 12. Separate resolutions will be proposed for each Director's election or re-election.

As previously announced, Srinivasan Venkatakrishnan is stepping down from the Board on 31 March 2024 and Sir Jim McDonald is stepping down from the Board at the end of this year's Annual General Meeting and therefore neither Srinivasan nor Sir Jim are standing for re-election. Clare Chapman retired from the Board with effect from 31 December 2023. The whole of the Board and I would like to thank them for their hard work and dedication during their time on the Board.

Brian Puffer, Penelope (Penny) Freer and Andrew (Andy) Agg have been appointed as Directors since last year's Annual General Meeting. The skills and experience that Brian, Penny and Andy bring to the Board are outlined in Appendix 1 to the Notice of Annual General Meeting.

The Board Performance Review conducted during 2023 (as explained in more detail on page 89 of the 2023 Annual Report) concluded that each Director continues to make a positive and effective contribution to the Board and demonstrates commitment to the role. The Board has considered whether each of the independent Non-Executive Directors is free from any relationship that could materially interfere with the exercise of their independent judgement and has determined that each continues to be considered to be independent. Biographies of all the Directors standing for election or re-election, including the reasons why their contribution to the Company is important to its long-term sustainable success, are set out in Appendix 1 to the Notice of Annual General Meeting, in the 2023 Annual Report and on the Company's website www.global.weir.

Re-appointment of auditors and determining the auditors' remuneration (Resolutions 13 and 14)

Resolution 13 seeks to re-appoint PricewaterhouseCoopers LLP as the Company's auditors to hold office until the conclusion of the next general meeting of the Company at which accounts are laid, and resolution 14 authorises the Company's Audit Committee to determine the auditors' remuneration.

Authority to allot shares (Resolution 15)

Under section 551 of the Companies Act 2006, the Directors may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised to do so by Shareholders. The Investment Association ('IA') guidelines on Directors' authority to allot shares, which were updated in February 2023, state that IA members will regard as routine resolutions seeking authority to allot shares representing up to two-thirds of a company's issued share capital, provided that any amount in excess of one-third of existing issued shares should be applied to fully pre-emptive offers only.

In accordance with these guidelines, this resolution will, if passed, authorise the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal value of £21,634,337.50 representing 173,074,700 ordinary shares of 12.5 pence each, such amount being equal to approximately two-thirds of the issued ordinary share capital of the Company as at 8 March 2024, being the latest practicable date prior to publication of the Notice of Annual General Meeting (the 'Latest Practicable Date'). In accordance with IA guidelines, one half of that section 551 authority (equal to one third of the Company's issued ordinary share capital (excluding treasury shares) as at the Latest Practicable Date) will only be applied (if at all) to fully pre-emptive offers.

As at the Latest Practicable Date, 1,465 ordinary shares were held by the Company in treasury, which represents approximately 0.0006% of the total issued share capital of the Company (excluding treasury shares) as at that date.

The authority sought under this resolution will expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, at the close of business on 25 July 2025.

The Directors have no present intention to exercise the authority sought under this resolution and do not intend to issue any shares other than pursuant to The Weir Group Share Reward Plan 2018 (the 'SRP') or The Weir Group PLC All-Employee Share Ownership Plan ('Weir ShareBuilder'); however, the Directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise which are consistent with the Company's strategic objectives and consider it desirable to have the maximum flexibility permitted by corporate governance guidelines.

Partial disapplication of pre-emption rights (Resolutions 16 and 17)

Resolutions 16 and 17 will give the Directors authority to allot ordinary shares in the capital of the Company pursuant to the authority granted under Resolution 15 above for cash without complying with the pre-emption rights in the Companies Act 2006 in certain circumstances. Both will be proposed as special resolutions.

The Pre-Emption Group's Statement of Principles were revised in November 2022 (the 'Pre-Emption Group Principles') to allow companies to seek authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority up to 10% of a company's issued share capital for use on an unrestricted basis; and (ii) an additional authority up to a further 10% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or which has taken place in the twelve month period preceding the announcement of the issue. In both cases, an additional authority of up to 2% may be sought for the purposes of making a follow-on offer.

Having considered the revised Pre-Emption Group Principles, the Directors consider it appropriate to continue to seek disapplication authorities in line with its previous practice, being over 5% of the Company's issued share capital for use on an unrestricted basis and a further 5% for use in connection with an acquisition or specified capital investment. This level of authority is in line with institutional shareholder guidance and within the limits set out the Pre-Emption Group Principles as described above. The Board considers that it is in the best interests of the Company and its Shareholders generally that the Company have the flexibility conferred by Resolutions 16 and 17 to conduct a pre-emptive offering without complying with the strict requirements of the statutory pre-emption provisions and to finance business opportunities quickly and efficiently when they arise. The Directors confirm their intention to follow the shareholder protections contained in Part 2B of the Pre-emption Group Principles.

Resolution 16 will therefore permit the Directors to allot equity securities for cash and sell treasury shares:

- (a) up to a maximum nominal value of £21,634,337.50, representing two-thirds of the issued share capital of the Company as at the Latest Practicable Date, on an offer to existing Shareholders on a fully pre-emptive basis (that is including a rights issue or an open offer), with one-third being available only in connection with a fully pre-emptive offer (in each case subject to any adjustments, such as for fractional entitlements and overseas Shareholders, as the Directors see fit); and
- (b) up to a maximum nominal value of £1,622,575, representing approximately 5% of the issued ordinary share capital of the Company as at the Latest Practicable Date otherwise than in connection with a pre-emptive offer to existing Shareholders.

Resolution 17 will permit the Directors to allot additional equity securities for cash and sell treasury shares up to a maximum nominal value of £1,622,575, representing approximately a further 5% of the issued ordinary share capital of the Company as at the Latest Practicable Date, otherwise than in connection with a pre-emptive offer to existing Shareholders for the purposes of financing or refinancing a transaction as contemplated by the Pre-Emption Group Principles described above.

As noted in relation to Resolution 15 above, the Directors have no current intention of issuing ordinary shares other than in relation to the Company's SRP and Weir ShareBuilder share schemes.

The authority contained in Resolutions 16 and 17 will expire upon the expiry of the authority to allot shares conferred in Resolution 15 (that is, at the conclusion of the next Annual General Meeting of the Company or, if earlier, at the close of business on 25 July 2025).

Authority to purchase own shares (Resolution 18)

At last year's Annual General Meeting, the Company was authorised, in accordance with its Articles of Association and within institutional Shareholder guidelines, to purchase its own shares. No such purchases have been made using this authority. The Directors are seeking renewal of this authority for a further year. Accordingly, this resolution, which will be proposed as a special resolution, seeks authority to make market purchases up to a maximum of 25,961,205 ordinary shares (being approximately 10% of the Company's issued share capital (excluding treasury shares) as at the Latest Practicable Date), and specifies the maximum and minimum purchase prices for the shares. It is the Company's current intention to hold any shares purchased in treasury for use in connection with the SRP or Weir ShareBuilder. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so. A maximum of 10% of the Company's issued share capital may be held as treasury shares. No dividends are paid on shares while they are held in treasury and no voting rights attach to treasury shares. As at the Latest Practicable Date, there were 1,571,130 awards outstanding to subscribe for ordinary shares under the Company's share plans. If the outstanding awards were fully exercised, they would represent approximately 0.61% of the issued share capital of the Company (excluding treasury shares). If the full authority to buy back shares (existing and being sought) were exercised, then the number of awards to subscribe for shares outstanding as at the Latest Practicable Date would represent 0.76% of the reduced share capital of the Company (excluding treasury shares).

This authority will expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, at the close of business on 25 July 2025. Purchases of shares either for cancellation or to be held in treasury would only be undertaken within the limits of the Company's available reserves and only if, in the opinion of the Directors, they are expected to enhance earnings per share or otherwise benefit the overall financial position of the Company.

Notice of general meetings (Resolution 19)

Resolution 19 is a resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice. The minimum notice period permitted by the Companies Act 2006 for general meetings is 21 clear days unless Shareholders approve a shorter notice period, which cannot be less than 14 clear days (annual general meetings must always be held on at least 21 clear days' notice).

The Companies Act 2006 also requires, in order for the Company to be able to call a general meeting on less than 21 clear days' notice, that it offers a facility for Shareholders to vote by electronic means. This condition is met if the Company offers a facility, accessible to all Shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of Shareholders approving the reduction of the minimum notice period from 21 days to 14 days. The Board is therefore proposing resolution 19 as a special resolution to approve 14 clear days as the minimum period of notice for all general meetings of the Company other than annual general meetings. The approval will be effective until the end of the Company's next Annual General Meeting, when it is intended that the approval be renewed. The shorter notice period would not be used as a matter of course for such meetings, but only where, taking into account the circumstances, the Directors consider that the flexibility is merited by the business of the meeting and is to the advantage of Shareholders as a whole.

Recommendation and action to be taken

The Board believes that the proposed resolutions are in the best interests of the Company and its Shareholders and the Directors recommend that you give them your full support by voting in favour of resolutions 1 to 19, which they intend to do in respect of their own beneficial holdings.

Chair of The Weir Group PLC

Notes

1. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of determining the number of votes they may cast), Shareholders must be on the Company's register of members at 6.30 pm on 23 April 2024 or, if this Annual General Meeting is adjourned, at 6.30 pm on the day which is two days before the day of the adjourned meeting (excluding any part of a day which is not a working day). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote (and the number of votes they may cast) at the Annual General Meeting, or adjourned meeting.
2. If you are attending the Annual General Meeting in person, please bring your attendance card with you. It authenticates your right to attend, speak and vote at the Annual General Meeting and will speed up your admission. You may find it useful to also bring the Notice of Annual General Meeting and the 2023 Annual Report so you may refer to them at the Annual General Meeting.

All joint Shareholders may attend and communicate at the Annual General Meeting; however, only the first Shareholder listed on the register of members of the Company is entitled to vote.

All Shareholders or their proxies will have the opportunity to ask questions at the Annual General Meeting. A question may not be answered at the Annual General Meeting if it is considered not to be in the interests of the Company or the good order of the Annual General Meeting, if it would involve the disclosure of sensitive information, or if the answer has already been given on a website in the form of an answer to a question. The Chair may also nominate a representative to answer a specific question after the Annual General Meeting or refer the Shareholder to the Company's website.
3. A registered Shareholder entitled to vote at the Annual General Meeting is entitled to appoint a proxy or proxies (who need not be Shareholders) to exercise all or any of their rights to attend, speak and vote at the Annual General Meeting. A Shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. Your proxy must vote as you instruct and must attend the Annual General Meeting either electronically or in person to represent you for your vote to be counted. Unless you are appointing the Chair as your proxy, please check with your appointed proxy prior to appointing him/her that he/she intends to attend the Annual General Meeting. A Shareholder must inform the Company in writing of any termination of the authority of a proxy.
4. Voting on resolutions 1 to 19 will be conducted by way of a poll.
5. To appoint a proxy you may:
 - (i) register the appointment of your proxy vote electronically using the internet by going to www.investorcentre.co.uk/eproxy and follow the instructions provided. The proxy appointment must be received by Computershare at the address referred to on the website by 2.30 pm on 23 April 2024. Please note that any electronic communication sent to the Company's Registrar in respect of the appointment of a proxy that is found to contain a computer virus will not be accepted; or
 - (ii) use the proxy card enclosed with this Notice of Annual General Meeting (together with any power of attorney or other authority (if any) under which it is signed (or a duly certified copy thereof)) which should be returned direct to: Computershare Investor Services PLC, The Pavilions Bridgwater Road, Bristol BS99 6ZY so as to arrive no later than 2.30 pm on 23 April 2024; or
 - (iii) if you hold your shares in uncertificated form, utilise the CREST electronic proxy appointment service as set out overleaf;
 - (iv) if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 2.30 pm on 23 April 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
6. Appointing a proxy will not preclude a Shareholder from attending and voting at the Annual General Meeting. A 'vote withheld' option is provided on the proxy card accompanying this Notice of Annual General Meeting which is to enable a Shareholder to abstain on any particular resolution. It should be noted that an abstention is not a vote in law and will not be included in the calculation of the proportion of votes 'for' or 'against' a resolution.
7. In the case of joint Shareholders, where more than one of the joint Shareholders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
8. To change your proxy instructions, you may return a new proxy card or instruction in accordance with note 5. Please contact the Company's Registrar, Computershare Investor Services PLC, at The Pavilions, Bridgwater Road, Bristol, BS99 6ZY if you require another proxy card. The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Any attempt to terminate or amend a proxy appointment received after the relevant deadline will be disregarded. Where two (or more) valid but differing appointments of proxy are received in respect of the same share(s) for use at the same meeting and in respect of the same matter, the one which is last validly received (regardless of its date or of the date of its execution or submission) shall be treated as replacing and revoking the other or others as regards the relevant share(s). If the Company is unable to determine which appointment was last validly received, none of them shall be treated as valid in respect of the relevant share(s).

10. The statement of rights of Shareholders in relation to the appointment of proxies above does not apply to any nominated persons. The rights described in these paragraphs can only be exercised by Shareholders.
11. Information regarding the Annual General Meeting including the information required by section 311A of the Companies Act 2006 is available at www.global.weir/investors/shareholder-information/agm. You can contact the Company electronically by emailing weirAGM@mail.weir. Any email should be accompanied by your full name and Shareholder Reference Number (SRN) as authentication.
12. Under section 527 of the Companies Act 2006, Shareholders have a right to request publication of any concerns that they propose to raise at the Annual General Meeting relating to the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be submitted to the Annual General Meeting or any circumstances connected to the Company's auditors who ceased to hold office since the last Annual General Meeting. The Company will publish the statement if sufficient requests have been received in accordance with section 527(2) of the Companies Act 2006 which, broadly, requires a minimum of 100 Shareholders holding shares in the Company on which there has been paid up an average sum, per Shareholder, of at least £100 or Shareholders holding at least 5% of the Company's issued share capital to make the request. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with such request. Where a statement is published, the Company will forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on its website.
13. As at the Latest Practicable Date, the Company's issued share capital comprised 259,613,517 ordinary shares of 12.5 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company. There are 1,465 ordinary shares held as treasury shares and therefore the total number of voting rights in the Company as at 9.00 a.m. on the Latest Practicable Date is 259,612,052. 15. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual on the Euroclear website www.euroclear.com/CREST. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the CREST Proxy Instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) not later than 48 hours before the Annual General Meeting. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
