

PRESS RELEASE

Paris, June 29, 2021

Free Fiber is now available to the homes covered by the **La Fibre 06 by Altitude Infra** Public Initiative Network.

Free's arrival on this new network further demonstrates its commitment to the rollout of fiber throughout France in line with its aim of having a presence on the networks deployed in local communities.

Through the **La Fibre 06 by Altitude Infra** network, Free is now offering its Fiber services to **19,000 homes** in the following 21 municipalities:

Isola
Saint-Etienne-de-Tinée
Péone
Peymeinade
Saint-Cézaire-sur-Siagne
Saint-Martin-Vésubie
Saint-Vallier-de-Thiery

L'Escarène
Drap
Lucéram
Puget-Théniers
Bouyon
Roquebillière
Coursegoules

Breil-sur-Roya
Cantaron
Guillaumes
Lantosque
Bézaudun-les-Alpes
Les Ferres
Conségudes

In three months' time, Free Fiber will be available for all of the **homes already covered by the La Fibre O6 by Altitude Infra** network. Ultimately, **78,000 homes** will be eligible for Free Fiber on the network.

In addition to its presence on La Fibre O6 by Altitude Infra network, Free's Fiber offerings are already available to **650,000 homes in the areas of Nice, Menton, Cannes, Antibes and Cagnes sur Mer.**

In total, therefore, Free Fiber is available to **669,000 homes** in the Alpes-Maritimes region.

In all of these areas, businesses covered by the FTTH networks and interested in Fiber are eligible for the **Free Pro** offering on <https://pro.free.fr/>

Free's partnership with the La Fibre O6 by Altitude Infra network illustrates its aim of offering fiber services throughout France and being able to propose a fiber plan to French consumers through the **Freebox Pop** (€29.99/month for 12 months, then €39.99/month).

Additionally, Free is the only operator in France to offer **10G-EPON fiber technology¹** (subject to the subscriber having a compatible plan and Freebox).

As from today, people living in the Alpes-Maritimes region can check their eligibility and subscribe for Free Fiber at **www.free.fr**, on **1033** (a freephone number dedicated to Free Fiber), or in the **Free stores in Nice, Nice Cap 3000, Menton and Antibes.**

3 MILLION
FIBER SUBSCRIBERS

*According to the nPerf survey for landline Internet connections in Metropolitan France published on January 8, 2021: Free was no.1 in terms of average fiber (FTTH) download speed (484.79 Mbps) in Metropolitan France in 2020. Average calculated based on 2,219,835 tests carried out between January 1, 2020 et December 31, 2020 on fiber-optic networks (FTTH) by users of the nPerf tool. See nPerf.com for the full survey and the methodology used.
Number of connectible sockets and number of Fiber subscribers as of March 31, 2021.

About Free

Free – the inventor of the world's first triple-play box – is a Fixed and Mobile Ultra-Fast Broadband operator in France, standing out for its innovative, straightforward and attractive offerings. At end-March 2021, it had over 20 million BtoC subscribers (13.4 million Mobile subscribers and 6.8 million Fixed subscribers). Free is a subsidiary of the iliad Group, which was created in France in the early 1990s and now also operates in Italy under the iliad brand and in Poland under the Play brand. In March 2021, the iliad Group launched its BtoB business in France under the Free Pro brand.

¹ 10G-EPON fiber technology: maximum theoretical speeds of 8 Gbps download and 700 Mbps upload, subject to use of compatible devices.

Fiber offer subject to conditions, eligibility and actual connection of the subscriber's home. See free.fr for full terms and conditions and eligibility.
Connectible FTTH socket: a socket for which the link between the shared access point and the optical splitter has been put in place by the building operator, which the Group can access in accordance with its co-financing commitments, and for which the connection to the Group's network has been completed or is in progress.

Start-up fee: €49. Termination fee: €49.

1033: freephone number (access & call), France only.

Freebox ADSL unbundled subscribers eligible for Free Fiber will be contacted by Free with a proposal to migrate their offer, which will be carried out by a technician in their home. The fiber installation is provided at no cost to the subscriber.
