Paris, January 18, 2023

NOW AVAILABLE ON THE ALLIANCE THD PIN IN THE AVEYRON

Free Fiber is now available on the **Alliance THD** Public Initiative Network (PIN) in the **Aveyron département**.

Free's arrival on this network further demonstrates its commitment to the rollout of fiber throughout France in line with its aim of having a presence on the networks deployed by local communities, such as in the Aveyron.

To date, the Alliance THD PIN covers over 126,570 connectible sockets in the Aveyron out of the 157,520 that it will have by June 2023. Free Fiber **is currently available on the Alliance THD network in the Aveyron to over 80,420 homes in more than 190 municipalities** (see attached list) and ultimately it will be offered to all of the homes that are already on this network as well as those that will be in the future.

In the zones covered by privately-deployed networks, in the AMII¹ areas, Free Fiber is already available for all the homes to which fiber has been rolled out, representing over 51,350 homes.

In total, Free now covers 131,780 connectible Fiber sockets in the Aveyron département.

¹ AMII areas: medium-populated areas of France in which fiber networks are rolled out using private funds, following calls for expressions of investment intentions ("*appels à manifestation d'intentions d'investissement*").

In all of the above areas, businesses covered by the FTTH networks and interested in Fiber are eligible for the **Free Pro** offer.

Free's partnership with the Alliance THD network illustrates its aim of offering fiber services throughout France and being able to propose a fiber plan to French consumers through the **Freebox Pop** (€29.99/month for 12 months and then €39.99/month).

Additionally, Free is the only operator in France to offer its subscribers **10G-EPON fiber technology**² (subject to the subscriber having a compatible plan and Freebox).

To find out more about Free Fiber's arrival on this PIN, see the eligibility map on the Free website and fill out the form to be kept updated about each stage of the connection process: <https://www.free.fr/freebox/carte-fibre-optique/>

As from today, people living in the Aveyron *département* and who are eligible for Free Fiber on the Alliance THD network can sign up for Free Fiber at **www.free.fr**, or by calling **1033** (a freephone number – France only – dedicated to Free Fiber).
