

MasterCard Integrated Processing Solutions

Investment Community Session 20th Annual Card Forum & Expo April 7, 2008

Tim Murphy President, U.S. Region Jerry Sargent Product Manager, Integrated Processing Solutions Today's presentation may contain, in addition to historical information, forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995.

These forward-looking statements are based on our current assumptions, expectations and projections about future events which reflect the best judgment of management and involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by our comments today. You should review and consider the information contained in our filings with the SEC regarding these risks and uncertainties.

MasterCard disclaims any obligation to publicly update or revise any forward-looking statements or information provided during today's presentations.

MasterCard Integrated Processing Solutions

Platform. People. Product. Integrated for maximum profit.

Traditionally, MasterCard Focused on Switching Transactions

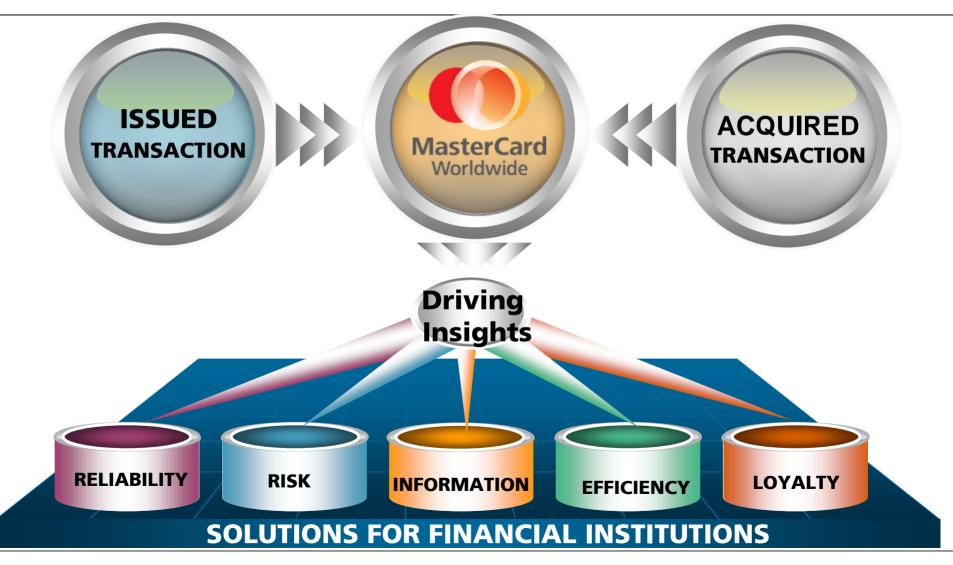

Authorization Clearing Settlement

Today, Processing Opens Other Doors

A Contemporary Approach to Payment Processing

MasterCard Worldwide

- Unified approach designed to overcome the limitations of legacy systems
- A single, secure, fully integrated platform built on our own worldclass infrastructure, enhanced with established industry software
- An exceptional suite of services for signature- and PIN-based debit transactions

A New Issuer Processing Solution Designed for Customer Needs

- Rapidly launch new products
- Quickly customize reporting to gain actionable cardholder insights
- Fight fraud with real-time integrated scoring
- Offer flexible, targeted rewards programs
- Customizable workflow tools drive operational efficiency

Components of MasterCard IPS
