

## **Atlas Corp Announces Extension Of Exchange Offer For Seaspan Corporation's \$80 Million Outstanding 7.125% Notes Due 2027 Issued In 2017**

LONDON, May 6, 2021 /CNW/ - Atlas Corp. ("Atlas") (NYSE: ATCO) today announced that it has extended the expiration of its offer to exchange (the "Exchange Offer") up to \$80,000,000 aggregate principal amount of 7.125% Notes due 2027 (the "ATCO Notes"), which have been registered under the Securities Act of 1933, as amended, for any and all outstanding \$80,000,000 aggregate principal amount of 7.125% Notes due 2027 of its subsidiary, Seaspan Corporation (the "Seaspan Notes"). The Seaspan Notes were originally issued in October 2017. Holders of Seaspan Notes may tender some or all of their Seaspan Notes pursuant to the Exchange Offer.

The Exchange Offer was scheduled to expire at 5:00 p.m. New York City time on Wednesday, May 5, 2021 and will now expire at 5:00 p.m. New York City time on May 12, 2021 (the "Extended Expiration Date"), unless further extended by Atlas. As of 5:00 p.m. on May 5, 2021, \$49,793,775 aggregate principal amount of Seaspan Notes has been tendered and not withdrawn in the Exchange Offer, satisfying the minimum tender condition. The extension has been made to allow time to facilitate further tenders expected from holders of the Seaspan Notes. After completion of the Exchange Offer, the ATCO Notes are expected to be listed on the Nasdaq Bond Exchange.

The terms of the ATCO Notes to be issued in the Exchange Offer are substantially similar in all material respects to the terms of the Seaspan Notes, except that the ATCO Notes will (i) be obligations of Atlas, not Seaspan, (ii) be redeemable at Atlas's option, in whole or in part, at any time on or after the second-year anniversary of their date of issuance, at a redemption price equal to 100% of their principal amount, plus accrued and unpaid interest to, but not including, the redemption date, (iii) exclude a covenant requiring that the primary business of Atlas and its subsidiaries, taken as a whole, be the direct or indirect ownership, management, operation, leasing or chartering of container vessels and containers and any business incidental thereto, and (iv) exclude a covenant requiring Atlas to provide holders of the ATCO Notes with certain reports and information in the event of a cross default.

Tenders of Seaspan Notes may be validly withdrawn at any time at or prior to the Extended Expiration Date, but tenders will thereafter be irrevocable, except in certain limited circumstances where additional withdrawal rights are required by law as determined by Atlas. Settlement of the Exchange Offer will occur promptly following the Extended Expiration Date and is expected to be May 17, 2021, unless extended by Atlas (the "Settlement Date").

Holders of Seaspan Notes that do not exchange their Seaspan Notes for ATCO Notes will continue to hold unlisted Seaspan Notes. No consents to any amendment or waiver of the terms of the indenture governing the Seaspan Notes are being solicited in connection with the Exchange Offer.

The Exchange Offer is being made on the terms and subject to the conditions specified in Atlas's Offer to Exchange, dated April 7, 2021 (the "Exchange Offer Prospectus"), filed with the United States Securities and Exchange Commission (the "SEC"). The Exchange Offer is subject to customary conditions, including that (i) the Exchange Offer, or the making of any exchange by a holder of Seaspan Notes, would not violate applicable law or any applicable interpretation of the SEC staff, (ii) the Seaspan Notes are validly tendered in accordance with the Exchange Offer, (iii) any governmental approval has been obtained that Atlas believes, in its sole discretion, is necessary for the completion of the Exchange Offer as outlined in the Exchange Offer Prospectus and (iv) no action or proceeding is instituted or threatened in any court or by or before any governmental agency with respect to the Exchange Offer which, in Atlas's judgment, would reasonably be expected to impair its ability to proceed with the Exchange Offer.
