### NOTE 1 Summary of Significant Accounting Policies and Going Concern

#### A. Accounting Practices

The Financial Statements of the Company are presented on the basis of accounting practices prescribed or permitted by the Vermont Department of Financial Regulation, Insurance Division (the "Insurance Division").

The Insurance Division recognizes only statutory accounting practices prescribed or permitted by the State of Vermont for determining and reporting the financial condition and results of operations of an insurance company and for determining its solvency under Vermont Insurance Law. The National Association of Insurance Commissioners ("NAIC") Accounting Practices and Procedures Manual ("NAIC SAP") has been adopted as a component of prescribed or permitted practices by the Insurance Division. The Company differs from NAIC SAP under Vermont Statute, Title 8, Chapter 141 - Subchapter 4 (8 V.S.A. § 6048d) Special Purpose Financial Companies, a permitted practice issued by the Insurance Division. Under this permitted practice, is it deemed allowable that the Company treat excess of loss ("XOL") treaty as an admitted asset on its statutory financials which is otherwise disallowed by NAIC SAP.

#### NOTE 22 Events Subsequent

Subsequent events have been considered through August 5, 2022. The Company did not have any subsequent events to report.

### NOTE 23 Reinsurance

Effective October 1, 2021, the Company entered into a coinsurance funds withheld treaty with American Equity Life under which the Company is assuming 100% of the risk associated with the Lifetime Income Benefit Rider ("LIBR") payments greater than the fund value of the underlying contract for certain of its FIA policies. All of the policies subject to the treaty require the policyholder to pay a fee for the option to exercise the LIBR benefit.

The difference between the statutory-basis reserves assumed and the initial Funds Withheld Account ("FWA") will be financed through an excess of loss XOL treaty between the Company and Hannover Life Reassurance Company of America ("HLRA") whereby HLRA will pay 100% of LIBR claims after exhaustion of the contract values and the FWA. Effective October 1, 2021, the XOL coverage will be 25 years from the inception year of each yearly cohort (with extension to 30 years assuming the funds withheld account is continuously at least 80% of the target amount after 2031). The Company has obtained a permitted practice from the Vermont Insurance Division to treat the XOL agreement as an admitted asset.

The Company considered the guidance in NAIC Statement of Statutory Accounting Principles 61R, Life and Health Reinsurance ("SSAP 61R") and Issue Paper 74 in evaluating whether a transfer of risk has occurred with respect to the XOL treaty. The XOL treaty is considered a stop loss or non-proportional reinsurance agreement. SSAP 61R requires the contract terms to be evaluated to assess whether significant risk is transferred to the reinsurer. Based upon the Company's analysis of the contract and expectations of future claim payments, the Company does not expect HLRA to pay claims as a result of the agreement. The nature of this XOL agreement does not meet risk transfer criterion with in SSAP 61R, therefore, the Company will apply deposit accounting.

### **Reasonableness and Consistency of Assumptions Certification**

I, Danny D. Purcell, FSA, MAAA, am the Appointed Actuary for AEL Re Vermont Inc. (the Company). I have reviewed the assumptions underlying the values assigned to equity options used in the determination of statutory reserves for fixed-indexed annuity products reinsured by the Company and reported in the statutory financial statement as of June 30, 2022. To the best of my knowledge and belief, the assumptions used to determine such option market values are:

- 1. Reasonable in light of current relevant economic conditions as of the date of valuation; and
- 2. Consistent with the comparable assumptions used to determine the statement value of any derivative instruments used to hedge the indexed based obligations embedded in the fixed-indexed annuities subject to this certification.

Note that the Company complies with Iowa Administrative Code 191 - Chapter 97.

Danny D. Purcell, FSA, MAAA VP, Senior Managing Actuary & Appointed Actuary
