The homes at Edgebrook showcase desirable design characteristics like spacious

kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage. The community's one- and two-story floor plans feature up to five bedrooms and four baths, and range in size from

approximately 1,200 to 2,400 square feet. The community also offers the KB Home Office, a dedicated room that homebuyers can personalize for the way they work.

“Edgebrook provides homebuyers a selection of beautiful new homes in tranquil Southwest Las Vegas. Our new community is situated in a prime location near Mountain’s Edge Regional Park and is a short drive to the Las Vegas Strip and the area’s major employment centers,” said Brian Kunec, Regional General Manager of KB Home’s Las Vegas and Seattle divisions. “As with other KB Home communities, Edgebrook offers home shoppers the opportunity to purchase a personalized, new KB home at a price that fits their lifestyle and needs.”

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency’s (EPA) Indoor airPLUS standards.

The Edgebrook sales office and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing starts from the \$370,000s.
