## BANCFIRST CORPORATION REPORTS THIRD QUARTER EARNINGS

BancFirst Corporation (NASDAQ GS:BANF) reported net income of \$38.8 million, or \$1.16 diluted earnings per share, for the third quarter of 2021 compared to net income of \$20.9 million, or \$0.63 diluted earnings per share, for the third quarter of 2020. The Company recorded a provision for credit losses of \$1.5 million for the three months ended September 30, 2021 compared to a provision for credit losses of \$18.7 million for the three months ended September 30, 2021 compared to a provision for credit losses of \$1.5 million, or \$1.94 diluted earnings per share, for the nine months ended September 30, 2020. The Company recorded a net benefit from reversal of provisions for credit losses of \$8.5 million for the nine months ended September 30, 2021 compared to a provision for credit losses of \$57.7 million for the nine months ended September 30, 2020.

BancFirst Corporation Executive Chairman David Rainbolt commented, "Recently, COVID cases have begun to decline in Oklahoma, but continue to impact some businesses. As a result, our revised quarterly economic scenario supports a stable reserve. Consequently, the provision was very slight this quarter. We would anticipate the economic effects of the pandemic to wane more rapidly over the next quarter which would imply a lower reserve going forward."

The Company's net interest income for the third quarter of 2021 increased to \$80.2 million compared to \$75.9 million for the third quarter of 2020, as a result of an increase of \$6.1 million in fee income from Paycheck Protection Program (PPP) loan forgiveness. The net interest margin for the quarter was 3.09% compared to 3.40% a year ago. Noninterest income for the quarter totaled \$39.8 million, compared to \$34.6 million last year. The increase in noninterest income was attributable to \$2.9 million in rental income from other real estate property, a \$2.1 million increase in income from debit card interchange fees and a \$1.5 million increase in insurance commissions. Noninterest expense for the quarter increased to \$70.2 million compared to \$66.1 million last year, because of the increase in approximately \$2.0 million related to other real estate property operating costs and \$1.0 million in net occupancy and depreciation primarily from the Company's new corporate headquarters. The Company's effective tax rate was 19.7% compared to 18.4% for the third quarter of 2020.

At September 30, 2021, the Company's total assets were \$11.3 billion, an increase of \$2.1 billion from December 31, 2020. Loans totaled \$6.0 billion, a decrease of \$410.3 million from December 31, 2020 stemming from a net decrease of approximately \$451.5 million in PPP loans and approximately \$21 million of loans that were sold with the Company's Hugo, Oklahoma branch, which were partially offset by approximately \$149 million of acquired loans from the First National Bank and Trust Company of Vinita, Oklahoma. Deposits totaled \$10.0 billion, an increase of \$1.9 billion from December 31, 2020. The increase in assets and deposits was predominantly related to PPP and other government stimulus payments. At September 30, 2021, the balance of PPP loans was \$201.2 million. The Company's total stockholders' equity was \$1.1 billion, an increase of \$79.0 million over December 31, 2020. Off-balance sheet sweep accounts totaled \$2.7 billion at September 30, 2021 compared to \$2.8 billion at December 31, 2020.

Nonaccrual loans represent 0.44% of total loans at September 30, 2021, down from 0.58% at year-end 2020. Net charge-offs for the quarter were 0.01% of average loans, compared to 0.03% in the third quarter of 2020. The allowance for credit losses to total loans was 1.43% at September 30, 2021 compared to 1.42% at year-end 2020, and the allowance for credit losses to nonaccrual loans was 324.96% compared to 243.35% at year-end 2020. At September 30, 2021, the Company's nonaccrual loans decreased \$10.9 million from year-end 2020, as a result of the resolution of several loans, which was offset by \$7.2 million of nonaccrual loans acquired from The First National Bank and Trust Company of Vinita, Oklahoma. At September 30, 2021, the Company's other real estate owned (OREO) increased \$6.8 million from December 31, 2020, and included approximately \$4.0 million from the repossession of one commercial real estate property, \$2.4 million from the decommissioning of the Company's previous headquarters, and approximately \$600,000 acquired from The First National Bank and Trust Company of Vinita, Oklahoma.

BancFirst Corporation CEO David Harlow commented, "Fees related to ongoing PPP loan forgiveness and a year-to-date negative provision have allowed for outsized EPS through the first nine months of the year. For the remainder of this year and into 2022, our challenge will be to grow loans and stabilize our margin while continuing to build upon and expand our non-interest and fee based revenues."
