Dear Sir or Madam,

Re: Supplemental Information

EVCI Career Colleges Holding Corp. (the "Company") was previously as shell company, from approximately March of 2008, as the Company was dormant and had no or little operations.

The Company's status as a shell company has changed. As of February 14, 2023, the Company was no longer a shell company. The reason the Company believes it is no longer a Shell Company under the SEC's definition is as follows:

On February 14, 2023, pursuant to a Definitive Share Exchange Agreement, dated February 14, 2023, by and among the Company, Zhejiang Dashang Media Co., Ltd. ("Zhejiang"), and the shareholders of Zhejiang (the "Shareholder"), the Shareholders acquired an aggregate of 80,209,926 shares of common stock of the Company in exchange for all of the issued and outstanding equity of Zhejiang, resulting in Zhejiang becoming a wholly-owned subsidiary of the Company. As such, the Company recognized the revenue, assets and liabilities of Zhejiang acquired in the reorganization, at their historical carrying amounts.

Zhejiang is an operating company with more than nominal non-cash assets and more than nominal operations. Zhejiang also recorded material revenue in the year ending December 31, 2022. This will be confirmed in the financial statements to be included in the Quarterly Report for the period ended March 31, 2023, to be published on the OTC Markets.
